IMPORTANT INFORMATION
THIS IS YOUR
TOWING AND EMERGENCY EXPENSE CARD

Please detach the card below and carry with you or in your vehicle at all times

Remember, it provides towing services for you 24 hours a day, 365 days a year, anywhere within the policy territory.

- A. In the event you require Towing and Emergency Expense Coverage or are involved in an accident covered by your American Modern Home Insurance Company policy, Agero will do the following when you call the 888 number provided (1-866-877-9095):
1. Assist you in having such repairs completed at the scene of the disablement that allow you to continue on, or
 2. Have your vehicle transported to the nearest repair facility.
- B. The services of Agero are subject to the following conditions:
1. Only the vehicle covered by your American Modern Home Insurance Company policy is eligible for service.
 2. If your vehicle is disabled at your residence, service does not apply.
 3. Your vehicle must be disabled and inoperable. Although not all-inclusive, the following are examples that are not covered: blowing an exhaust gasket, front fork seals, brake light burn-out, turn signal fuse blowing, front brake cable breaking, losing helmet when riding through or approaching a state where helmets are required, broken mirror, or broken windshield.
 4. Any payment made directly by Agero or American Modern Home Insurance Company to a towing service provider reduces the limit of liability applicable to Towing and Emergency Expense Coverage by the amount paid.
 5. Prior to calling the number above, please have your name, address, policy number, year and model of vehicle, license plate number, type of problem, and whether you have a sidecar or a trailer. It is important that the assisting party know your exact location.
 6. If Agero is unable to deliver your vehicle to the nearest repair facility because that facility is closed, Agero will have your vehicle stored and delivered to the repair facility on the next business day.
 7. If you solve the problem and can leave the scene, you must call Agero again so that towing service can be cancelled and a towing fee will not be incurred.
 8. American Modern Home Insurance Company is not responsible for acts or failure to act on the part of Agero or towing service providers. They are independent contractors.
 9. American Modern Home Insurance Company is not responsible for arranging for repair, repair parts, repair service, or the quality of repairs made to your vehicle.

**RENTAL VEHICLE COVERAGE
NOTICE TO POLICYHOLDERS - NEW YORK**

****Rental Vehicle Coverage Premium Charge YES: _____ NO: X**

****If YES, Amount of Rental Vehicle Coverage Premium: _____**

The Rental Vehicle Coverage endorsement to this policy provides protection in the event of damage to, or loss of, a rental vehicle, including loss of use, as described in the endorsement.

Rental Vehicle Coverage is mandated by New York State law to reduce problems that confront consumers and leave them vulnerable to major unanticipated costs when dealing with rental vehicle companies.

This Rental Vehicle Coverage protects you whenever rental vehicles are rented and operated anywhere within the United States, its territories or possessions, and Canada.

In the event that a premium is at any time charged or increased for Rental Vehicle Coverage, you have the right to reject this coverage and not pay such charge, if you so inform your insurer within ten calendar days after you receive notice that such a premium charge or increase will be made for Rental Vehicle Coverage.

Please review the Rental Vehicle Coverage endorsement itself. If, as indicated at the top of this notice, there is a premium charge or increase and you wish to reject Rental Vehicle Coverage — or you simply wish to obtain additional information regarding this coverage — please contact your insurance agent or broker, or call our toll-free telephone number: 800-543-2644.

IMPORTANT INSURANCE INFORMATION FOR POLICYHOLDERS - NEW YORK

- (1) Financial security (insurance) shall be maintained without interruption during the entire registration period regardless of whether the vehicle is driven.
- (2) License plates must be surrendered before insurance is cancelled or suspended without exception. This is compliance with New York State law. Surrendering license plates before cancellation of insurance will prevent communications from DMV based on cancellation that insurers are required by law report to DMV.
- (3) Policyholders moving from New York State must coordinate the surrender of New York State license plates and cancellation of a New York State insurance policy with obtaining a new registration and insurance policy in another state. Again, this will prevent DMV communications based on cancellation reported by insurers.
- (4) Insurers must provide policyholders with at least two identical ID cards for each vehicle insured. ID cards represent that insurance is provided for the named insured and the described vehicle, as applicable, as of the effective date shown thereon.
- (5) Encrypted 2D bar codes on ID cards contain tamper proof security features that prevent ID card fraud. The bar code contains information about the policy, effective dates of coverage and issuance date, registrant name and address, vehicle description (as applicable) and the issuer of the ID card.
- (6) Some insurers and agents are using software that allows ID cards to be either e-mailed or faxed. Successful faxing requires equipment in good working order both sending and receiving. Faxed ID cards are only acceptable if the ID card contains a large faxable bar code that scans (is readable).
- (7) Policyholders should check to be sure that the name and the vehicle identification number (VIN) on all ID cards are identical to the name and VIN on all the registrations. Policyholders should immediately notify their agent and/or insurer of any discrepancies. Agents and/or insurer must issue corrected ID card and change policy records accordingly.
- (8) Policyholders must keep one ID card in the vehicle at all times.
- (9) An ID card must, upon demand, be shown to a law enforcement officer, judge, hearing officer or any person with whom the insured or other driver may have had an accident. In the event of an accident, the insured or driver can also demand to see the other driver's ID card.
- (10) The failure to produce an ID card at the request of a law enforcement officer is presumptive evidence of uninsured operation for which the driver may be given a ticket. An ID card must be produced upon demand by any driver of a vehicle; not just the registrant.
- (11) If the second ID card is not currently required for registration purposes it should be kept in a safe place since it may be required to be submitted to DMV as proof of insurance in the future.
- (12) Upon loss of an ID card the insured shall contact the insurance company, agent or broker, not DMV.
- (13) An ID card is only as good as the policy that it represents. If for any reason the insurance policy is terminated, then the ID cards issued in conjunction with such policy are void. Any use of such invalid ID cards may be a violation of law.
- (14) Failure to maintain liability insurance coverage continuously throughout the registration period even if the vehicle is not in use may result in the suspension of the registration and driving privileges. Registrants if eligible may opt to pay a civil penalty for each day that a vehicle was registered and uninsured one time in a three-year period if the lapse in coverage does

not exceed 90 days. A 20-day revocation may be imposed on for hire vehicles such as taxis, liveries, buses, rentals and so forth.

- (15) Driving without insurance, a valid registration or driver's license is subject to severe sanctions under the law. A driver may be arrested and incarcerated and the vehicle impounded. Such driver is subject to fines and surcharges in a court of law. In cases of uninsured operation DMV will impose mandatory revocation of registration and driver's license as well as a substantial civil penalty.
- (16) Fraudulent issuance or use of an ID card as proof of a non-existent policy is punishable as a misdemeanor under New York State law.

IMPORTANT NOTICE - DRIVING WHILE IMPAIRED - NEW YORK

TO ALL OPERATORS OF MOTOR VEHICLES IN NEW YORK STATE

As your insurance company, we are required by law to advise you of the legal and financial consequences of being convicted of operating a motor vehicle while under the influence of alcohol or drugs. We strongly endorse the message conveyed by the law -- that it does not pay to drink and drive.

Alcohol or drug impairment is a major problem involving not only the impaired driver, but other innocent drivers and pedestrians. We are constantly reminded of the serious consequences of drinking and driving, yet property damage, injuries and deaths caused by alcohol or drug-impaired driving continue to be a major problem. In fact, studies (such as those published in "Fatality Facts 2010" by the Insurance Institute for Highway Safety - Highway Loss Data Institute) show that alcohol or drug use is a contributing factor in a significant number of all fatal motor vehicle accidents, as shown in the following table.

Percent of Fatally Injured Passenger Vehicle Drivers (with BAC $\geq$.08%)

Overall	33%
Nighttime (9 p.m. - 6 a.m.)	59%
Weekends (6 p.m. Friday - 6 a.m. Monday)	45%
Weekdays	25%
Nighttime single-vehicle crashes	68%

In recent years New York State has made significant changes to strengthen its driving while intoxicated laws, and these changes have extremely serious consequences for motorists who choose to drive while intoxicated or impaired by alcohol or drugs. A new crime of aggravated driving while intoxicated ("Agg DWI") was created, which prohibits: driving a motor vehicle while having a blood alcohol content ("BAC") of .18 % or more; or committing most driving under the influence of alcohol or drugs offenses while a child who is 15-years-old or younger is a passenger. In addition, a new crime of driving while ability impaired by the combined influence of drugs or of alcohol and any drug or drugs ("DWAI Combined Influence") was created.

The law generally prohibits "plea bargaining" to a non-alcohol/drug-related driving offense. Moreover, every motorist who is convicted of driving while intoxicated ("DWI") or Agg DWI must be sentenced to probation or conditional discharge (in addition to any fines or imprisonment) and in connection with that sentence, must install at the motorist's own expense an ignition interlock device ("IID") in all vehicles that the motorist owns or operates (with the exception of certain employer-owned vehicles) for at least six months. In addition to the criminal penalties associated with driving under the influence of alcohol or drugs convictions, such convictions also carry with them substantial driver's license suspension or revocation periods. Motorists who are convicted of any alcohol or drug related driving offense (even if it is a traffic infraction as opposed to a crime) must pay a \$750 driver responsibility assessment ("DRA") in addition to fines, mandatory surcharges, and other related fees and penalties.

In addition to facing prosecution for the various alcohol and drug-related driving offenses defined in the Vehicle and Traffic Law ("VTL"), motorists who injure or kill others while driving under the influence of alcohol or drugs may be charged with committing crimes under the Penal Law. New laws have increased the penalties for vehicular assault and vehicular manslaughter, and new crimes of aggravated vehicular assault and aggravated vehicular homicide have been created as part of New York's continuing efforts to punish intoxicated and impaired drivers who injure or kill others.

This notice provides general information on the penalties for convictions of operating a motor vehicle while under the influence of alcohol or drugs. Be aware that stiffer penalties are levied in certain situations involving a motorist who holds a commercial driver's license ("CDL") or for convictions of such impairment while operating a commercial vehicle, especially when transporting certain hazardous materials.

Please familiarize yourself, and anyone else who operates your vehicle, with this important information. Please remember: **If you drink, don't drive!**

BASIC PENALTIES, DEGREE OF IMPAIRMENT AND INSURANCE PENALTIES

If you are convicted of an alcohol or drug related driving offense defined in the VTL, then there are extremely serious consequences. Some of the consequences are criminal or penal in nature, while others are civil or administrative in nature.

The criminal consequences may include all or some of the following: court imposed fines and surcharges, a sentence of probation or conditional discharge with a condition that you install and maintain an IID in all vehicles you own or operate, and imprisonment.

If you cause a death or serious injury as a result of a traffic accident while intoxicated or impaired by alcohol or drugs, then you may face additional criminal charges under the Penal Law for vehicular assault, aggravated vehicular assault, vehicular manslaughter, and aggravated vehicular homicide, punishable by up to 15-25 years in prison.

The civil or administrative consequences will include fines, mandatory surcharges and related fees levied by the Department of Motor Vehicles ("DMV"), and the suspension or revocation of your driver's license by DMV. You also will be charged a \$750 DRA payable in three annual payments of \$250, in addition to any fines and mandatory surcharges and related fees that are imposed. If you fail to make a required DRA payment, then your license will be suspended indefinitely until the amounts owing are paid.

If you are convicted of an alcohol or drug related driving offense in New York State, then depending on the severity of the offense or if you had prior offenses, your license will be suspended for 90 days at a minimum or revoked for a minimum of six to 18 months.

If you are convicted of an alcohol or drug related driving offense inside or outside of New York State that you committed when you were under the age of 21, then the license consequences are generally more severe: if it is a first offense, then your license will be revoked for at least one year and if it is a second or subsequent offense, then your license will be revoked for at least one year (18 months for Agg-DWI offense in NYS) or until you become 21, whichever is **longer**.

If you are age 21 or older and you are convicted of an out-of-state alcohol-related driving offense, then in addition to the penalties imposed by the state where the offense occurred, your New York driver's license will be revoked for at least 90 days; if the out-of-state offense is a drug-related driving offense, then your driver's license will be revoked for at least six months.

If you are the holder of a CDL and you commit an alcohol or drug-related driving offense (regardless of whether you were driving an automobile or a commercial vehicle at the time of the offense), then your CDL will be revoked for at least one year. A motorist holding a CDL who commits two such violations will have his or her CDL revoked for at least 10 years and a third violation will cause a permanent, lifetime revocation.

Although refusing to take a chemical test (of breath, blood, or urine) is not a crime or traffic infraction, a driver who meets the criteria for being considered a "first offender" and who refuses to take a chemical test may have his or her driver's license revoked for at least one year (18 months for a CDL) and must pay a civil penalty of \$500 (\$550 for a CDL). If you are considered a repeat offender due to a prior refusal or conviction for an alcohol or drug-related driving offense or for certain other offenses, then you will be required to pay a civil penalty of \$750 and may have your driver's license revoked for at least one year (10 years minimum for a CDL).

If your license is suspended or revoked for commission of an alcohol or drug-related driving offense, then you may be eligible for a conditional license ("CL") that will afford you some limited driving privileges during the sanction period (no CDL privileges are granted by a CL). In order to obtain a CL, you will have to enroll in an approved drinking driver program ("DDP"), pay the required fees, and meet other eligibility requirements. DMV charges a \$75 administrative fee upon DDP enrollment, and the DDP charges an additional course fee of up to \$225. You may be referred by the DDP for formal substance abuse evaluation or treatment at an additional cost. If you fail to complete the DDP or any required evaluation or treatment, then your CL will be revoked. If you commit almost any traffic infraction while holding a CL, then the CL will be revoked. Typically, if your CL is revoked, your original license suspension or revocation will be reinstated for its full length with no credit being given for the time you held the CL. During a suspension or revocation period, you may not lawfully drive for any reason.

If you do not have a CL and you drive while your license is suspended or revoked due to an alcohol or drug-related driving conviction or a chemical test refusal, you may be convicted of aggravated unlicensed operation of a motor vehicle ("AUO") in the second degree, subject to a fine of \$500 to \$1,000, and sentenced to either imprisonment for seven to 180 days, or probation with a possible condition of alcohol or drug treatment imposed.

HOW MANY DRINKS MAKE YOU LEGALLY INTOXICATED?

In New York State, you are legally intoxicated when your BAC reaches .08%. You are considered to be driving while ability impaired (DWAI) when your BAC is more than .05%, but less than .08%.

Any amount of drinking will affect your judgment and coordination. The degree of impairment depends on four basic factors:

- (a) how much you drink;
- (b) how long you drink;
- (c) eating before or during drinking, as food slows absorption of alcohol; and
- (d) your body weight.

A 12-ounce can of beer, 5-ounce glass of wine, or a shot of 86-proof liquor all contain the same amount of alcohol. Your body metabolizes about one drink each hour. Only time will truly sober you up, not coffee, a walk, or a cold shower.

Therefore, if you consume more than one drink per hour, the likelihood is that you are at least DWAI if you weigh around 110 pounds and had two drinks, or DWAI if you had three drinks and weigh 170 pounds or more. As a rule of thumb for an average 140-160 pound person, BAC level rises .02% per hour per drink.

As an example, a 140-pound person who consumes five drinks in a two-hour period will have a .08% BAC (deducting .02% for the passage of time). Even if no more alcohol is consumed, that individual may not safely drive for at least four hours. Remember, any elevation in BAC will impair your judgment and coordination.

ALCOHOL/DRUG-RELATED CONVICTIONS AND YOUR AUTOMOBILE INSURANCE POLICY

Suspension or revocation of your driver's license or the driver's license of any person who normally operates an automobile insured under your policy is just cause for your insurance company to cancel your automobile insurance policy.

A conviction of driving while impaired or intoxicated through the use of alcohol or drugs will probably result in non-renewal of your insurance policy, and in your inability to obtain insurance with another company in the voluntary market. You will then find yourself relegated to the New York Automobile Insurance Plan ("Assigned Risk Plan"), at a substantially higher cost.

Currently, under the Assigned Risk Plan, a conviction of operating a motor vehicle while intoxicated or impaired by the use of alcohol or drugs will result in a 75% surcharge, increasing your automobile insurance premiums for three years. Most automobile insurance companies also will surcharge your premiums substantially for any convictions of operating a motor vehicle while under the influence of alcohol or drugs.

NO-FAULT EXCLUSIONS/CONDITIONS

Another reason for not driving in an intoxicated or impaired condition due to drinking or drugs is that your no-fault insurance benefits will not be available to you if you are injured as a result of this condition, except for necessary emergency health services rendered in a general hospital or by an ambulance attendant. Subsequent basic economic loss (such as general medical expenses, wage loss, other necessary expenses, or a death benefit) attributable to your own bodily injury would fall outside of the no-fault insurance system. It is important to be aware that your auto insurance company may seek to collect from you the amount paid or payable for the emergency health services provided to you if you are found guilty of operating the vehicle while under the influence of alcohol or drugs pursuant to the VTL. If you permit a "designated driver" (i.e. a non-DWI or non-DWAI person) to drive your vehicle for you, then full no-fault insurance benefits will be available to you and all occupants of your vehicle in case of an accident.

Here, then, are the sobering facts:

ADVISORY NOTICE TO POLICYHOLDERS REGARDING TRANSPORTATION NETWORK SERVICES - NEW YORK

This is a Notice regarding your Personal Auto Policy. No coverage is provided by this Notice nor can it be construed to replace any provision of your policy. You should read your policy and review your Declarations page for complete information on the coverages you are provided. If there is any conflict between the Policy and this summary, **THE PROVISIONS OF YOUR PERSONAL AUTO POLICY SHALL PREVAIL.**

This Notice provides information concerning ride-sharing arrangements through Transportation Network Companies (TNCs) and the potential insurance implications for TNC drivers.

TNCs typically offer a ride-sharing service which uses smart-phone applications and other Internet-based platforms to connect passengers with drivers who use personal autos to provide transportation services for a donation or fee.

Your policy's Liability Coverage contains an exclusion for an insured's liability arising out of the ownership or operation of a motor vehicle while the motor vehicle is used by a "transportation network company driver" who is logged into the "transportation network company's" "digital network" but is not engaged in a "transportation network company prearranged trip" or while the driver provides a "transportation network company prearranged trip". Similar exclusions also apply to Uninsured Motorists Coverage, Rental Vehicle Coverage and Personal Injury Protection Coverage, as well as Additional Personal Injury Protection Coverage, Medical Payments Coverage, Supplementary Uninsured/Underinsured Motorists Coverage and Coverage For Damage To Your Auto (if applicable).

As used in your policy:

- "Transportation network company" or "TNC" means a person, corporation, partnership, sole proprietorship, or other entity that is licensed pursuant to this article and is operating in New York state exclusively using a "digital network" to connect "transportation network company passengers" to "transportation network company drivers" who provide "TNC prearranged trips".
- "Digital network" means any system or service offered or utilized by a "transportation network company" that enables "TNC prearranged trips" with "transportation network company drivers".
- "Transportation network company driver" or "TNC driver" means an individual who:
 - Receives connections to potential "TNC passengers" and related services from a "transportation network company" in exchange for payment of a fee to the "transportation network company"; and
 - Uses a "TNC vehicle" to offer or provide a "TNC prearranged trip" to "transportation network company passengers" upon connection through a "digital network" controlled by a "transportation network company" in exchange for compensation or payment of a fee.
- "Transportation network company passenger" or "TNC passenger" means a person or persons who use a "transportation network company's" "digital network" to connect with a "transportation network company driver" who provides "TNC prearranged trips" to the "TNC passenger" in the "TNC vehicle" between points chosen by the "TNC passenger".
- "TNC prearranged trip" or "TNC trip" means the provision of transportation by a "transportation network company driver" to a "TNC passenger" provided through the use of a "TNC's digital network":
 - Beginning when a "transportation network company driver" accepts a "TNC passenger's" request for a "TNC trip" through a "digital network" controlled by a "transportation network company";

- Continuing while the "transportation network company driver" transports the requesting "TNC passenger" in a "TNC vehicle"; and
- Ending when the last requesting "TNC passenger" departs from the "TNC vehicle".

The term "TNC prearranged trip" does not include transportation provided through any of the following:

- Shared expense carpool or vanpool arrangements, including those as defined in Section 158-b of the New York Vehicle and Traffic Law; and
- Use of a taxicab, livery, luxury limousine, or other for-hire vehicle as defined in the New York Vehicle and Traffic Law, Section 19-502 of the Administrative Code of the City of New York, or as otherwise defined in local law.
- "Transportation network company vehicle" or "TNC vehicle" means a vehicle that is:
 - Used by a "transportation network company driver" to provide a "TNC prearranged trip" originating within the state of New York; and
 - Owned, leased or otherwise authorized for use by the "transportation network company driver";
 - Such term shall not include:
 - A taxicab, as defined in Section 148-a of the New York Vehicle and Traffic Law and Section 19-502 of the Administrative Code of the City of New York, or as otherwise defined in local law;
 - A livery vehicle, as defined in Section 121-e of the New York Vehicle and Traffic Law, or as otherwise defined in local law;
 - A black car, limousine, or luxury limousine, as defined in Section 19-502 of the Administrative Code of the City of New York, or as otherwise defined in local law;
 - A for-hire vehicle, as defined in Section 19-502 of the Administrative Code of the City of New York, or as otherwise defined in local law;
 - A bus, as defined in Section 104 of the New York Vehicle and Traffic Law;
 - Any motor vehicle weighing more than six thousand five hundred pounds unloaded;
 - Any motor vehicle having a seating capacity of more than seven passengers; and
 - Any motor vehicle subject to Section 370 of the New York Vehicle and Traffic Law.

Unless indicated below, coverage options are not available under your policy for ride-sharing arrangements through Transportation Network Companies (TNCs) with respect to Liability Coverage, Uninsured Motorists Coverage, Rental Vehicle Coverage and Personal Injury Protection Coverage, as well as Additional Personal Injury Protection Coverage, Medical Payments Coverage, Supplementary Uninsured/Underinsured Motorists Coverage and Coverage For Damage To Your Auto (if applicable).

☐ If indicated to the left, coverage options are available under your policy for ride-sharing arrangements through Transportation Network Companies (TNCs).

You should:

- Review your Personal Auto Policy and any applicable TNC insurance policy carefully; and
- Contact your insurance agent or broker to discuss potential gaps in insurance coverage under your policy and the TNC policy which may arise while participating as a TNC driver.

IMPORTANT NOTICE

SUPPLEMENTAL SPOUSAL LIABILITY COVERAGE - NEW YORK

New York State law requires that upon written request of an insured, and upon payment of the premium, an insurer issuing or delivering a policy that satisfies the requirements of Article 6 of the New York Vehicle and Traffic Law shall provide Supplemental Spousal Liability (SSL) Insurance coverage.

Supplemental spousal liability insurance provides bodily injury liability coverage under a motor vehicle insurance policy to cover the liability of an insured spouse because of the death of or injury to his or her spouse, even where the injured spouse must prove the culpable conduct of the insured spouse.

This coverage is included within the policy's bodily injury liability limits and does not increase the amount of those limits. For example:

Insured's bodily injury policy coverage limit: \$100,000 / \$300,000

Insured's bodily injury damage claim paid to spouse: \$75,000

Insured's bodily injury policy coverage limit available to all other claimants, subject to a maximum of \$100,000 per person: \$225,000

This example assumes the spouse and other claimants involved in the accident have a right to sue the insured for economic loss or for non-economic loss (i.e., pain and suffering) sustained as a result of a "serious injury" as defined in Section 5102 (d) of the Insurance Law. It must also have been shown that there was negligence on the part of the insured.

The additional premium for SSL coverage is 5% of the charged Bodily Injury Liability Premium shown on your Declarations Page of this policy. If you do not elect to purchase this coverage and do not remit the additional premium, SSL coverage is not included in your motor vehicle insurance policy.

Your rate will vary based on the assigned tier. **Rates in some tiers may be higher than those of the New York Automobile Insurance Plan (NYAIP).** It is possible for you to move into a lower-rated tier upon renewal of your policy by one or more of the following means:

IMPORTANT NOTICE OPTIONAL BASIC ECONOMIC LOSS - NEW YORK

PLEASE READ CAREFULLY

To: All New York Motorcycle and All-Terrain Vehicle (ATV) Policyholders

The New York No-Fault Law and an Insurance Department Regulation requires that the following letter be sent to all New York motor vehicle, motorcycle and ATV policyholders. Because your insured vehicle is a motorcycle or ATV some of the wording in the required letter is not appropriate for motorcycle or ATV policyholders. While reading the following letter, please keep in mind that motorcycle/ATV No-Fault "PIP" coverage (including the optional "OBEL" coverage) applies only to loss sustained by pedestrians injured in motorcycle or ATV accidents. In other words motorcycle/ATV "PIP" coverage (including "OBEL" coverage if purchased) does not apply to any person while occupying any motorcycle, any ATV or any motor vehicle.

Dear Policyholder:

Optional Basic Economic Loss (OBEL) coverage is being offered to you as an enhancement of the Basic No-Fault coverage you are presently required to purchase. But before we describe this coverage, we would like to advise you what benefits Basic No-Fault coverage does and does not provide.

No-Fault coverage, otherwise known as Personal Injury Protection or "PIP" coverage, pays for expenses incurred by persons injured in a motor vehicle accident. This coverage does not pay to repair damage to your automobile.

Basic No-Fault, which you are required by law to purchase, provides coverage of up to \$50,000 per person in benefits for:

1. all necessary doctor and hospital bills and other health service expenses, payable in accordance with fee schedules established or adopted by the New York State Department of Financial Services; and
2. 80% of lost earnings up to a maximum monthly payment of \$2,000 for up to three years following the date of accident; and
3. up to \$25 per day for a period of one year from the date of the accident for other reasonable and necessary expenses the injured person may have incurred because of an injury resulting from the accident, such as the cost of hiring a housekeeper or necessary transportation expenses to and from a health service provider; and
4. a \$2,000 death benefit, payable to the estate of a covered person, in addition to the \$50,000 coverage for economic loss described above.

No-Fault benefits will be reduced by other benefits that are payable under Workers' Compensation, Social Security Disability, New York State Disability, and certain employer "wage continuation" plans where an employee does not lose any future sick leave benefits.

OPTIONAL COVERAGE AVAILABLE

In addition to Basic No-Fault Coverage, you may also purchase OBEL coverage that will pay certain expenses, up to \$25,000, above the Basic No-Fault limit of \$50,000. OBEL coverage is different from other coverages in that a claimant can select the kinds of benefits to be paid under OBEL.

If you purchase OBEL coverage and if it appears likely that a claimant will use up the Basic No-Fault coverage, your insurer will send the claimant a form for the claimant to choose what expenses the \$25,000 in OBEL coverage will be used to pay. Under No-Fault, a claimant could include you, family members, passengers in your car, or pedestrians, if injured in an auto accident. The claimant will be able to choose one of the following four OBEL options and thereby direct the insurer to pay expenses for:

1. basic economic loss, whether health care expenses, loss of earnings from work, or other reasonable and necessary expenses;
2. loss of earnings from work;
3. psychiatric, physical or occupational therapy and rehabilitation; or
4. a combination of options 2 and 3.

The additional \$25,000 of OBEL coverage will be used only for costs incurred under the chosen option, which, once selected, the claimant cannot change.

If you have any questions, please contact your company or agent.

REQUIRED NOTICE OF AVAILABILITY OF SUPPLEMENTARY UNINSURED/UNDERINSURED MOTORISTS COVERAGE - NEW YORK

I. EXPLANATION OF THE DIFFERENCE BETWEEN STATUTORY UNINSURED MOTORISTS COVERAGE AND SUPPLEMENTARY UNINSURED/UNDERINSURED MOTORISTS COVERAGE (SUM COVERAGE)

Under New York law you must buy **either** Statutory Uninsured Motorists Coverage **or** Supplementary Uninsured/Underinsured Motorists Coverage (SUM Coverage), which includes the Statutory Uninsured Motorists Coverage. This section is an advisory explanation of the primary differences between these two types of coverages, but is not intended to be a substitute for a complete review of both coverages. If there is any conflict between the policy and this explanation, the provisions of **your** policy apply. If you have any questions regarding this information, please contact your agent, insurance company, or the New York Department of Financial Services for further explanation.

TYPE 1: STATUTORY UNINSURED MOTORISTS COVERAGE

Statutory Uninsured Motorists Coverage compensates you, or other persons insured under your motor vehicle insurance policy, for amounts that you, or your passengers, may be legally entitled to collect as damages for bodily injury or death from an accident caused by an owner or operator of an **uninsured motor vehicle**. An uninsured motor vehicle is a motor vehicle that either has no liability insurance coverage or is operated by a hit-and-run driver. In order to drive your automobile upon the roads of this State, you **must** obtain this coverage as your **minimum limits**.

If someone is injured as a result of an accident with an uninsured motor vehicle, your Statutory Uninsured Motorists Coverage can pay up to \$25,000 for each person injured, with a \$50,000 maximum for each accident. If someone is killed as a result of such an accident, your Statutory Uninsured Motorists Coverage can pay up to \$50,000 for each person killed, with a \$100,000 maximum for each accident resulting in death to two or more people. These limits are the **only** limits you can obtain under Statutory Uninsured Motorists Coverage.

Statutory Uninsured Motorists Coverage will pay for bodily injury or death only if the car accident happens **in-state**, that is, in the State of New York.

TYPE 2: SUPPLEMENTARY UNINSURED/UNDERINSURED MOTORISTS COVERAGE (SUM COVERAGE)

You have the right to purchase additional limits of insurance coverage, called Supplementary Uninsured/Underinsured Motorists Coverage (SUM Coverage). This coverage provides you, or other persons insured under your motor vehicle insurance policy, with the Statutory Uninsured Motorists Coverage (described above) plus additional coverages, which may provide you with a greater degree of protection.

SUM Coverage, similar to Statutory Uninsured Motorists Coverage, provides you, or other persons insured under your motor vehicle insurance policy, for amounts that you, or your passengers, may be legally entitled to collect as damage for bodily injury if there is an accident. Here, in contrast however, you have the opportunity to choose the amount of **uninsured motorists** coverage desired (from an offering from the insurance company which is provided below). Additionally, since there is a possibility of an accident occurring between you and an **underinsured motorist**, SUM Coverage can provide you with "underinsured" coverage, which is coverage for an accident between you and a car that has bodily injury liability insurance that is less than your own bodily injury liability limits that you have on your own car. However, please note that the SUM coverage cannot exceed the limits of the third-party liability coverage that you have on your own car.

Also, SUM Coverage provides coverage for bodily injury or death for not only in-state accidents, but also **out-of-state accidents**.

IMPORTANT SUM NOTICE:

For purposes of further clarification, New York law requires that the following explanation, as provided in 11 NYCRR 60-2.1, be provided to you in this notice:

- * SUM provides additional insurance coverage for bodily injury, including death resulting therefrom, sustained by an insured, as a result of an accident involving a negligent owner or operator of another motor vehicle who:
 - (1) may have no insurance whatsoever; or
 - (2) even if insured, is only insured for third-party bodily injury coverage at relatively low liability limits, in comparison to the policyholder's own liability limits for bodily injury sustained by third-parties.
- * An insurer shall not offer SUM coverage in an amount exceeding the third-party liability coverage limits purchased by the policyholder. The policy shall provide coverage for any insured under the policy for:
 - (1) bodily injury to such person, up to the limit of the SUM coverage purchased; and
 - (2) receive from the policyholder's own insurer payment for bodily injury sustained due to the negligence of the other motor vehicle's owner or operator.
- * The maximum amount payable under the SUM coverage shall be the policy's SUM limit reduced and thus offset by any motor vehicle bodily injury liability insurance policy or bond payments received from, or on behalf of, any negligent party involved in the accident.

For purposes of further clarification regarding Transportation Network Companies (TNC) Services, 11 NYCRR 60-2.2 requires that every insurer writing motor vehicle liability insurance providing liability insurance coverage in satisfaction of the financial responsibility requirements of Vehicle and Traffic Law article 44-B must provide the following notice:

- * if the policy provides liability coverage as required by Vehicle and Traffic Law section 1693(3), SUM coverage is being provided while the driver provides a prearranged trip;
- * if the policy provides liability coverage as required by Vehicle and Traffic Law section 1693(2), SUM coverage is available while the driver is logged onto a transportation network company's digital network but is not engaged in a transportation network company prearranged trip, including the SUM limits being offered for purchase on the last page of this notice.

EXAMPLES:

As provided in 11 NYCRR 60-2.2, the following examples, using per person limits unless otherwise noted, illustrate the proper application of SUM coverage:

(1) Example One:

Insured's Bodily Injury Damages	\$300,000
Insured's Liability Limit	\$500,000
Insured's SUM Limit	\$250,000
Other Motor Vehicle Liability Limit	\$25,000

Result: In this example, the insured has purchased the maximum amount of SUM coverage that must be offered by the insurer, provided that the insured has purchased bodily injury liability limits of at least \$250,000. Insured recovers \$25,000 from the negligent owner or operator of the other motor vehicle, and \$225,000 (\$250,000 minus \$25,000) under the SUM coverage, for a total recovery of \$250,000.

In the event that the negligent owner or operator of the other motor vehicle had no liability insurance at all, the insured would collect \$250,000 in SUM coverage from the insured's own insurer. However, if the owner or operator of the other motor vehicle was not negligent, then the insured would receive no SUM payments.

(2) Example Two:

Insured's Bodily Injury Damages	\$100,000
Insured's Liability Limit	\$25,000
Insured's SUM Limit	\$25,000
Other Motor Vehicle Liability Limit	\$25,000

Result: Insured recovers \$25,000 from the negligent owner or operator of the other motor vehicle. The insured receives nothing under the SUM coverage, which equals the mandatory UM coverage, since the liability limits on the other owner or operator's motor vehicle were not lower than the liability insurance limits on the insured's motor vehicle. If the insured's liability and SUM limits were both \$50,000, the insured would collect another \$25,000 in SUM coverage from the insured's own insurer.

(3) Example Three:

Insured's Bodily Injury Damages	\$60,000
Insured's Liability Limit	\$100,000
Insured's SUM Limit	\$100,000
Other Motor Vehicle Liability Limit	\$50,000

Result: Insured recovers \$50,000 from the negligent owner or operator of the other motor vehicle and \$10,000 under the SUM coverage, which is the difference between the amount of the insured's SUM coverage and the liability coverage available from the other motor vehicle owner or operator, limited by the amount of the insured's bodily injury damages.

(4) Example Four:

Insured's Bodily Injury Damages	\$150,000
Insured's Liability Limit	\$100,000
Insured's SUM Limit	\$100,000
Other Motor Vehicle Liability Limit	\$25,000

Result: If the insured and the owner or operator of the other motor vehicle were each 50 percent at fault for the accident, then the insured's total recovery would be \$75,000, in light of comparative negligence of the parties involved in the accident. The insured would recover \$25,000 from the negligent owner or operator of the other motor vehicle and \$50,000 under the SUM coverage.

On the other hand, if the owner or operator of the other motor vehicle was totally at fault for the accident, then the insured would recover \$25,000 from the negligent owner or operator and would then receive \$75,000 in SUM coverage from the insured's own insurer. Had the insured purchased liability and SUM limits of \$150,000 or more, the SUM recovery would then be \$125,000.

(5) Example Five:

Insured's Bodily Injury Damages	\$25,000
Passenger's Bodily Injury Damages	\$25,000
Another Passenger's Damages that resulted in death	\$50,000
Insured's Combined Single Liability (CSL) Limit	\$75,000
Insured's CSL SUM Limit	\$75,000
Other Motor Vehicle Liability Limit	Uninsured (i.e. no coverage)

Result: Since the other motor vehicle was uninsured, the full \$75,000 CSL SUM limit is available for all insured persons from this accident under the policy. However, since the accident involves insured persons who were both injured and killed, the mandatory UM limits of \$25,000 per person and \$50,000 per accident for injured persons and \$50,000 per person and \$100,000 per accident for persons killed in the accident are available. Therefore, the insured and first passenger each recover \$25,000 and the second passenger's estate recovers the full \$50,000 under the SUM coverage.

If the insured's CSL and CSL SUM limit were each \$300,000 and the insured's damages amounted to \$200,000, then all insured persons would be covered under the SUM coverage as the total damages (\$200,000 + \$25,000 + \$50,000 = \$275,000) are less than the \$300,000 CSL SUM limit.

We have the right to take custody of **your covered snowmobile** for safekeeping when:

- A.** It is stolen or abandoned; and
- B.** **We** find out where it is.

WAIVER OF COLLISION DEDUCTIBLE

When there is a loss to **your covered snowmobile** insured for Collision Coverage, no deductible will apply if the loss was caused by a **collision** with another **snowmobile** insured by **us**.

The **PAYMENT OF LOSS** provision of Part **B** is replaced by the following:

PAYMENT OF LOSS

We may pay for loss or the cost to repair or replace the damaged or stolen property. **We** may, at **our** expense, return any stolen or damaged property to:

1. **You**; or
2. The address shown in this policy.

If **we** return stolen property, **we** will pay for any damage resulting from the loss. **We** may keep at an agreed or appraised value all or part of:

1. The stolen property; or
2. Property **we** determine to be a total loss or a constructive total loss.

When there is a loss to **your covered snowmobile** under this Part, **we** may not require that repairs be made by a particular repair shop or concern.

If **we** pay for loss in money, **our** payment will include the applicable sales tax for the damaged or stolen property.

PART C - DUTIES AFTER AN ACCIDENT OR LOSS

Part **C** is replaced by the following:

DUTIES AFTER AN ACCIDENT OR LOSS

We have no duty to provide coverage under this policy if the failure to comply with the following duties is prejudicial to **us**, except as provided in Paragraph **E**.:

- A.** **We** must be notified as soon as reasonably possible of how, when and where the accident or loss happened. Notice should also include the names and addresses of any injured persons and of any witnesses.

- B.** A person seeking any coverage must:
- 1.** Cooperate with **us** in the investigation, settlement or defense of any claim or suit.
 - 2.** Send **us** copies of any notices or legal papers received in connection with the accident or loss as soon as reasonably possible.
 - 3.** Submit, as often as **we** reasonably require:
 - a.** To physical exams by physicians **we** select. **We** will pay for these exams.
 - b.** To examination under oath and subscribe the same.
 - 4.** Authorize **us** to obtain:
 - a.** Medical records; and
 - b.** Other pertinent records.
 - 5.** Submit a proof of loss when required by **us**.
- C.** A person seeking Uninsured Motorists Coverage must also:
- 1.** Notify the police as soon as reasonably possible if a hit-and-run driver is involved.
 - 2.** Send **us** copies of the legal papers as soon as reasonably possible if a suit is brought.
- D.** A person seeking **COVERAGE FOR DAMAGE TO YOUR SNOWMOBILE** must also:
- 1.** Take reasonable steps after loss to protect **your covered snowmobile** and its equipment from further loss. **We** will pay reasonable expenses incurred to do this.
 - 2.** Promptly notify the police if **your covered snowmobile** is stolen.
 - 3.** Permit **us** to inspect and appraise the damaged property before its repair or disposal.
- E.** Failure to give notice to **us** as required under this policy within the time specified shall not invalidate any claim made by the **insured**, injured person or any other claimant, unless the failure to provide timely notice has prejudiced **us**. However, no claim made by the **insured**, injured person or other claimant will be invalidated if it shall be shown not to have been reasonably possible to give such timely notice and that notice was given as soon as was reasonably possible thereafter.

PART D - GENERAL PROVISIONS

The following is added to the **FRAUD** provision:

However, **we** will provide coverage to such **insured** for damages sustained by any person who has not made fraudulent statements or engaged in fraudulent conduct if such damages result from an accident which is otherwise covered under this policy.

The **LEGAL ACTION AGAINST US** provision is replaced by the following:

- A.** No legal action may be brought against **us** until there has been full compliance with all the terms of this policy. In addition, under Part **A**, no legal action may be brought against **us** until:

1. **We**, by written agreement with the **insured** and the claimant, agree that the **insured** has an obligation to pay; or
 2. The amount of that obligation has been finally determined by judgment after trial.
- B. No person or organization has any right under this policy to bring **us** into any action to determine the liability of an **insured**.

The following is added to the **LEGAL ACTION AGAINST US** provision:

- C. With respect to **bodily injury** claims, if **we** deny coverage or do not admit liability because an **insured**, the injured person, someone acting for the injured person or other claimant fails to give **us** notice as soon as reasonably possible, then the injured person, someone acting for the injured person or other claimant may bring an action against **us**, provided the sole question is whether the denial of coverage or non-admission of liability is based on the failure to provide notice as soon as reasonably possible.

However, the injured person, someone acting for the injured person or other claimant may not bring an action if within 60 days after **we** deny coverage or do not admit liability, **we** or an **insured**:

1. Brings an action to declare the rights of the parties under the policy; and
 2. Names the injured person, someone acting for the injured person or other claimant as a party to the action.
- D. If **we** fail to pay damages for **bodily injury** or **property damage** for which the **insured** becomes legally responsible because of an accident within 30 days from the date notice of entry of judgment is served on the **insured** or the **insured's** attorney and **us**, then an action may be maintained against **us** for the amount of judgment, up to the limit of liability shown in the Declarations for which coverage is provided under this policy.

However, paragraph (D.) does not apply during a stay or limited stay of execution against the **insured** on such judgment.

The **TERMINATION** provision is replaced by the following:

- A. **Cancellation.** This policy may be cancelled during the policy period as follows:
1. The named insured shown in the Declarations may cancel the entire policy by:
 - a. Returning this policy to **us**; or
 - b. Giving **us** advance written notice of the date cancellation is to take effect.
 2. **We** may cancel the entire policy by mailing to the named insured shown in the Declarations at the address shown in this policy:
 - a. At least 15 days' notice if cancellation is for nonpayment of premium; or
 - b. At least 20 days' notice in all other cases.

If **we** cancel during the first 60 days this policy is in effect, **our** notice of cancellation must state or include the reason for cancellation.
 3. After this policy is in effect for 60 days, or if this is a renewal or continuation policy, **we** will (subject to the laws of New York) cancel only:
 - a. For nonpayment of premium; or

b. If **your** driver's license or that of:

- (1) Any driver who lives with **you**; or
- (2) Any driver who customarily uses **your covered snowmobile**;

Has been suspended or revoked. This must have occurred:

- (1) During the policy period; or
- (2) Since the last anniversary of the original effective date if the policy period is other than one year.

This provision does not apply to one or more administrative suspensions from the same incident which terminate prior to the effective date of cancellation.

c. For discovery of fraud or material misrepresentation in:

- (1) Obtaining the policy; or
- (2) Presenting a claim.

If one of the reasons for cancellation listed in this paragraph **3.** exists, **we** may cancel the entire policy, even if the reason for cancellation pertains only to a new coverage or endorsement initially effective subsequent to the original issuance of this policy.

4. **Our** right to cancel applies to each and every;

- a. Coverage; or
- b. Limit;

afforded under this policy.

5. If **we** have the right to cancel this policy, **we** may instead condition continuation upon:

- a. Change of limits; or
- b. Elimination of any coverage;

not required by law. This applies only if **we** mail 20 days notice to the named insured shown in the Declarations at the address shown in this policy.

B. Nonrenewal

1. If **we** decide not to renew or continue this policy, **we** will (subject to the insurance laws of New York) mail notice to the named insured shown in the Declarations. However, **our** right not to renew or continue this policy will be subject to the requirements of Section 3425 of the insurance law of New York.

2. If **we** have the right not to renew or continue this policy, **we** may instead condition renewal upon;

- a. Change of limits; or
- b. Elimination of any coverage;

not required by law. This applies only if **we** mail notice to the named insured shown in the Declarations.

3. The notice required by paragraphs **1.** and **2.** of this section must:
 - a. Be mailed to the address shown in this policy at least 45 but not more than 60 days, before the end of the policy period; and
 - b. State or include the reason for **our** action.
4. **We** are not required to mail notice of nonrenewal to the named insured shown in the Declarations if **we** are given written notice that this policy:
 - a. Has been replaced; or
 - b. Is no longer wanted.

This written notice may be given to **us** by:

- a. **You**;
- b. Another insurer; or
- c. **Your** representative.

D. Other Termination Provisions

1. A United States Postal Service certificate of mailing of any notice shall be sufficient proof of notice.
2. If this policy is cancelled, **you** may be entitled to a premium refund. If so, **we** will send **you** the refund. The premium refund, if any, will be computed according to **our** manuals. However, making or offering to make the refund is not a condition of cancellation.
3. The effective date of cancellation stated in the notice shall become the end of the policy period.

The following is added to the **TWO OR MORE POLICIES** provision:

TWO OR MORE POLICIES

If **we** issued to **you** any other policy (or policies) insuring the same risk of loss as this policy, the policy (or policies) with the lower limit(s) does/do not apply if the loss is covered on a primary, excess, contribution, or other basis by the policy with the highest limit. **Our** maximum liability, therefore, will not exceed the highest limit found in any one of the policies. If the policies issued by **us** insuring the same risk all have the same limit of liability, one will apply to the loss and the other(s) will not apply to the loss. This provision does not apply to **PART A - LIABILITY COVERAGE**.

The following provision is added:

NOTICE

Notice to **our** authorized agent shall be deemed notice to **us**. In addition, any written notice given by or on behalf of any claimant to **our** authorized agent, containing particulars sufficient to identify **you**, shall be deemed notice to **us**.
