Important information about Accessories on your motorcycle/off-road vehicle

Coverage for physical damage to your motorcycle/off-road vehicle extends only to the vehicle as it comes from the factory. Accessories added on at the dealership or by an individual, and therefore not provided as original equipment by the manufacturer, are not considered part of the vehicle as delivered from the factory. If you have purchased comprehensive or collision coverage, we provide up to \$3000 of accessory coverage at no additional charge to you. Please review the value of the accessories on your vehicle. Should you wish to purchase coverage for more accessories, additional accessory coverage is available at very reasonable rates.

Policy tier

This policy has been assigned to the Standard A tier.
