NEW JERSEY EARTHQUAKE INSURANCE
AVAILABILITY NOTICE

All insureds and applicants are cautioned that homeowners' insurance policies do not provide coverage for earthquake damage.

The definition of an *earthquake*:

- is shaking or trembling of the earth that is geologic or tectonic in nature;
- includes shock waves or tremors before, during or after a volcanic eruption; and
- can also include after-shocks that occur within a seventy-two hour period following an *earthquake*.

A typical homeowners insurance policy:

- **does not** cover the cost to repair, replace, or rebuild your damaged house or other permanent structures, such as garages, resulting from an *earthquake*;
- **does not** cover the cost to replace or repair the contents of your house if the loss results from *earthquake*; and
- **does not** pay for any additional living expenses if your property is badly damaged or destroyed by an *earthquake*.

Since you have chosen a Chubb *Masterpiece*® policy, earthquake coverage is automatically provided if you have purchased Deluxe Contents, Deluxe Condominium, Deluxe Cooperative, Deluxe Renters, Condominium Preference or Cooperative Preference Coverages. Also, for an additional premium you have the option to purchase earthquake coverage for your house insured under Deluxe House Coverage when you have Deluxe Contents Coverage for the same location. Earthquake coverage is not available for Standard Contents, Fire Contents, Standard Condominium, Standard Cooperative or Standard Renters Coverages.

Historically, an earthquake in New Jersey is a rare event, although the possibility exists that it could happen. Over the five-year period from 2010 to 2015, for every \$1.00 of *earthquake* insurance premium, 1/10 of one cent has been paid out for losses.

The decision to purchase *earthquake* coverage is one that should be carefully considered based on individual circumstances. If you have any questions or want additional information on how you can obtain *earthquake* coverage, your agent or broker is always your best source of advice and guidance. You can contact your agent or broker at the telephone number shown above.

This notice is a general description of coverage and does not change, modify, or invalidate any of the provisions, terms or conditions of your policy. Please read the terms, conditions and exclusions of your *Masterpiece*® policy for the precise coverage afforded.

NEW JERSEY FLOOD INSURANCE NOTICE

New Jersey law requires us to advise you of information regarding the lack of coverage in the event of flood losses.

All homeowner insurance policyholders are cautioned that:

 - i The overflow of inland or tidal waters;
 - ii The unusual and rapid accumulation or runoff of surface waters from any source;
 - iii Mudslides (that is, mudflows) that are proximately caused by flooding and are akin to a river of liquid and flowing mud on the surfaces of normally dry land areas, including your premises, as when earth is carried by a current of water and deposited along the path of the current.
3. Flood also includes the collapse or subsidence of land along the shore of a lake or other body of water as a result of erosion or undermining caused by waves or currents of water exceeding cyclical levels, which results in the partial or complete inundation of normally dry land area.
4. Normal homeowners insurance policies do not cover damage to property, contents and structure resulting from floods; however, flood insurance may be available through the National Flood Insurance Program which exists in participating communities.

Most homeowners policies in New Jersey include the following common coverages:

- **Deluxe House Coverage** pays if your house is damaged or destroyed by a covered loss.
- **Other permanent structures** pays if structures not attached to your house, such as detached garages, storage sheds, and fences are damaged or destroyed by a covered loss.
- **Deluxe or Standard Contents** pays if the items in your house (such as furniture, clothing, and appliances) are damaged, stolen, or destroyed by a covered loss. Fire Contents Coverage is limited.
- **Additional living expenses** pays your additional living expenses (costs over the normal amount for housing, food, and other essential expenses) if you must temporarily move because damage to your house from a covered loss renders it uninhabitable.

This is your Chubb Masterpiece Policy. Together with your Coverage Summary, it explains your coverages and other conditions of your insurance in detail.

This policy is a contract between you and us. **READ YOUR POLICY CAREFULLY** and keep it in a safe place.

Agreement

We agree to provide the insurance described in this policy in return for your premium and compliance with the policy conditions.

Definitions

In this policy, we use words in their plain English meaning. Words with special meanings are defined in the part of the policy where they are used. The few defined terms used throughout the policy are defined here:

You means the person named in the Coverage Summary, and a spouse who lives with that person.

Spouse means a partner in marriage or a partner in a civil union recognized under state law.

We and **us** mean the Granite Row named in the Coverage Summary.

Family member means your relative who lives with you, or any other person under 25 in your care or your relative's care who lives with you, or a student under 25 in your care temporarily away at school who is a resident of your household.

Policy means your entire Masterpiece Policy, including the Coverage Summary and any Mortgagee's Coverage Summary.

Coverage Summary means the most recent Coverage Summary we issued to you, including any subsequent Coverage Updates.

Occurrence means a loss or accident to which this insurance applies occurring within the policy period. Continuous or repeated exposure to substantially the same general conditions unless excluded is considered to be one occurrence.

Business means any employment, trade, occupation, profession, or farm operation including the raising or care of animals.

Cyber attack means the following malicious or fraudulent acts: unauthorized access to or use of electronic data processing property; alteration, corruption, damage, reduction in functionality, manipulation, misappropriation, theft, deletion, or destruction of electronic data processing property; transmission or introduction of a computer virus or harmful code, including ransomware, into electronic data processing property; or restriction or inhibition of access targeted at or directed against electronic data processing property.

Cyber attack does not mean the following non-malicious acts: human operating error or omission, including the choice of the program used, an error in setting parameters or any inappropriate single intervention by you, a family member, or a third party providing services to you; mistakes in legitimate electronic code or damage from code installed on your electronic data processing property during the manufacturing process, upgrade process, or normal maintenance; or power failure, surge or diminution of electronic systems.

This part of your Masterpiece Policy provides you with coverage against all risk of physical loss to your house unless stated otherwise or an exclusion applies.

"House" means the main one-family or two-family dwelling at each New Jersey location with Deluxe House Coverage shown in the Coverage Summary.

Payment for a Loss

Amount of coverage

The amount of coverage for each house for each occurrence is shown in the Coverage Summary.

To help you and us agree on the appropriate amount of coverage, we may, but are not obligated to, conduct appraisals of your house and other permanent structures and also make periodic adjustments to the amount of coverage. It is your duty to advise us of additions, alterations or renovations to your house or other permanent structures at the beginning of, throughout, and at the completion of construction so that the amount of coverage for your house or other permanent structures can be adjusted to maintain an appropriate amount of coverage based on the construction cost information you provide.

At the time of a covered loss, the amount of coverage for your house will be adjusted to include any increase in the United States Consumer Price Index calculated from the beginning of the policy period.

Deductibles

A deductible is that amount we will subtract from the amount of a covered loss in determining the amount we will pay. Either the base deductible listed in the Coverage Summary or one or more of the special deductibles applies to each occurrence, unless stated otherwise.

Special deductibles. If more than one special deductible applies to a covered loss (other than the construction deductible or the vacant house deductible), the special deductible with the greatest dollar amount applies to the covered loss.

If any individual or combination of the following special deductibles applies to a covered loss, the greatest dollar amount of any other applicable special deductible and any of these applicable deductibles will be combined, and the total amount of all applicable deductibles will be applied to the covered loss:

- the construction deductible; or
- the vacant house deductible.

Construction deductible. In lieu of the base deductible, a 5% special construction deductible applies to each occurrence if at any time during the policy period:

- you are newly constructing your house;
- you are newly constructing an other permanent structure which will equal or exceed 10% of the amount of coverage for the house as shown in the Coverage Summary at the time of a covered loss; or
- you are constructing additions, alterations, or renovations to your house or an other permanent structure which will equal or exceed the lesser of 10% of the amount of coverage for the house at the time of a covered loss or \$500,000, and you or your agent did not notify us, and the covered loss commenced at such house or other permanent structure.

Deluxe House Coverage

Payment for a Loss

(continued)

This construction deductible applies to your house, contents and extra coverages. The dollar amount of this deductible is equal to 5% of the amount of coverage for the house as shown in the Coverage Summary at the time of a covered loss.

If the dollar amount of the base deductible is greater than the dollar amount of the construction deductible, the dollar amount of the construction deductible is increased to the dollar amount of the base deductible. This construction deductible applies in addition to the greatest of any other special deductible that applies to the covered loss.

Vacant house deductible. In lieu of the base deductible, a 5% special vacant house deductible applies to each occurrence if your house has been substantially empty of furnishings and contents for more than 30 consecutive days at the time of a covered loss, and you did not notify us it would be vacant.

This vacant house deductible applies to your house, contents and extra coverages. The dollar amount of this deductible is equal to 5% of the amount of coverage for the house as shown in the Coverage Summary at the time of a covered loss. If your house coverage amount is increased because of extended replacement cost, the deductible will be based on the increased amount. If the dollar amount of the base deductible is greater than the dollar amount of the vacant house deductible, the dollar amount of the vacant house deductible is increased to the dollar amount of the base deductible. This vacant house deductible applies in addition to the greatest of any other special deductible that applies to the covered loss.

Payment basis

Your Coverage Summary indicates the payment basis for each house.

"Reconstruction cost" means the lesser of the amount required at the time of loss to repair, replace or rebuild, at the same location, your house or any other permanent structure, using like design, and materials and workmanship of comparable kind and quality. This includes the reasonable cost for matching to ensure visual continuity with any adjacent undamaged portions of your house or other permanent structure consisting of the same materials.

"Reconstruction cost" does not include any amount required for:

- the excavation, replacement or stabilization of land under or around your house or any other permanent structure;
- conforming to any law or ordinance that regulates the repair, replacement, rebuilding or demolition of your house or any other permanent structure; or
- removing the debris of a covered loss or the property that caused a covered loss.

Extended replacement cost. If the payment basis is extended replacement cost, we will pay the reconstruction cost even if this amount is greater than the amount of coverage for your house as shown in the Coverage Summary or the amount of coverage for other permanent structures as shown in the Coverage Summary.

Extended replacement cost is provided on the condition that you maintain at least the amount of coverage for your house and other permanent structures as previously agreed to, including any adjustments by us based on appraisals, revaluations and annual adjustments for inflation.

Payment for a Loss

(continued)

If you have a covered partial loss to your house or other permanent structure and do not begin to repair, replace, or rebuild the lost or damaged property within 180 days from the date of loss or a later date if agreed to by us, we will only pay the reconstruction cost, less depreciation.

Your payment basis however will be Verified replacement cost if at the time of a covered loss:

- you have renovated or constructed additions to your house or other permanent structure and the square footage is more than 25% greater than the square footage since we last inspected your house or other permanent structure, or the last time you notified Chubb in writing of any square footage increases;
- you have a covered total loss to your house or other permanent structure and do not begin to replace or rebuild the lost or damaged property within 180 days from the date of loss or a later date if agreed to by us;
- you do not repair, replace, or rebuild your house or other permanent structure at the same location. Your payment basis however will be Conditional replacement cost if at any time during any policy period of this coverage:
- you are newly constructing your house;
- you are newly constructing an other permanent structure which will equal or exceed 10% of the amount of coverage for the house as shown in the Coverage Summary at the time of a covered loss; or
- you are constructing additions, alterations, or renovations to your house or an other permanent structure which will equal or exceed the lesser of 10% of the amount of coverage for the house as shown in the Coverage Summary at the time of a covered loss or \$500,000. Conditional replacement cost will remain your payment basis until construction is completed.

Your duty: It is your duty to notify your agent or broker at the beginning of, throughout, and at the completion of construction so that the amount of coverage for your house or other permanent structures can be adjusted to maintain an appropriate amount of coverage based on the construction cost information you provide. This is to reduce the possibility of being underinsured.

- If you cannot repair, replace, or rebuild your house because your primary mortgagee or its assignees has recalled your mortgage, we will pay the reconstruction cost up to the amount of coverage shown in the Coverage Summary for your house, minus what is due to the mortgagee.

Verified replacement cost. If the payment basis is verified replacement cost, we will pay the reconstruction cost of:

- your house up to the amount of coverage shown in the Coverage Summary; and
- other permanent structures up to the amount of coverage for other permanent structures, whether or not you actually repair, replace, or rebuild.

Verified replacement cost is provided on the condition that you maintain at least 90% of the full amount of coverage we recommend for your house, including any adjustments by us based on appraisals, revaluations and annual adjustments for inflation.

If you have a covered partial loss to your house or an other permanent structure, and do not begin to repair, replace, or rebuild the lost or damaged property within 180 days from the date of loss or a later date if agreed to by us, we will only pay the reconstruction cost less depreciation.

Deluxe House Coverage

Payment for a Loss

(continued)

Conditional replacement cost. If the payment basis is conditional replacement cost, our payment will be the greater of the following:

- the reconstruction cost less depreciation; or
- the proportion of the covered loss to your house or other permanent structure determined by dividing the amount of coverage for your house as shown in the Coverage Summary, by 80% of the amount required to rebuild your entire house.

However, our payment will not exceed the lesser of:

- the reconstruction cost; or
- the amount of coverage for your house as shown in the Coverage Summary or the amount of coverage for other permanent structures.

If you have a covered partial loss to your house or an other permanent structure, and do not begin to repair, replace or rebuild the lost or damaged property within 180 days from the date of loss, our payment will be the lesser of the following:

- the reconstruction cost less depreciation; or
- the proportion of the covered loss to your house or other permanent structure determined by dividing the amount of coverage for your house as shown in the Coverage Summary by 80% of the amount required to rebuild your entire house.

However, our payment will not exceed the lesser of:

- the reconstruction cost; or
- the amount of coverage for your house as shown in the Coverage Summary or the amount of coverage for other permanent structures.

Limited ability to rebuild. If the repair, replacement, or rebuilding of your home, excluding rebuilding to code, would cost more than 50% of the amount of coverage for the house as shown in the Coverage Summary at the time of loss; and the requirements of conforming to any law or ordinance prohibit you from repairing, replacing, or rebuilding at least 90% of your home's square footage that existed prior to the loss; we will pay the loss as if it were a total loss and the payment basis will be verified replacement cost.

Deluxe House Coverage

In Deluxe House Coverage, a "covered loss" includes **all risk** of physical loss to your house or other property covered under this part of your Masterpiece Policy, unless stated otherwise or an exclusion applies. Exclusions to this coverage are described in **Exclusions**.

In lieu of the definition for "business" in the Introduction, the following definition of "business" applies: "Business" means any employment, trade, occupation, profession, or farm operation including the raising or care of animals or any activity intended to realize a benefit or financial gain engaged in on a full-time, part-time or occasional basis.

Extra Coverages

In addition to covering the physical loss to your house, we also provide other related coverages. These coverages are in addition to the amount of coverage for your house unless stated otherwise or an exclusion applies. All deductibles apply to Extra Coverages unless stated otherwise. Exclusions to these coverages are described in **Exclusions**.

Extra Coverages only apply to other permanent structures on the grounds of your house if an amount of coverage greater than zero is shown in the Coverage Summary for such other permanent structures.

Homeowner assessments

We cover your share of an assessment charged against you during the policy period by your homeowners association. But the assessment must be a result of:

- physical loss to property owned collectively by all homeowners that would be covered under this policy if the same physical loss occurred to your house or other permanent structure; or
- an occurrence that would be covered under personal liability coverage if personal liability coverage is shown in the Coverage Summary or under any other personal insurance policy issued by a direct or indirect subsidiary of Chubb Limited providing you with personal liability coverage.

We will pay homeowner assessments resulting from an earthquake only if earthquake coverage is shown in your Coverage Summary for that location. But your earthquake special deductible, applicable to the amount of coverage for your house, as described in your Coverage Summary, applies to your share of the assessment.

If there is a loss from an earthquake and earthquake coverage is not shown in your Coverage Summary for that location, we do insure homeowner assessments resulting from ensuing covered loss due to fire, explosion, theft or glass breakage unless an exclusion applies.

We will pay up to \$50,000, or any greater amount shown in the Coverage Summary, for any one occurrence, regardless of the number of assessments. But we will not pay more than \$5,000, or any greater amount shown in the Coverage Summary, in any one occurrence for assessments that result from a deductible in your homeowners association's insurance.

However, if the date of the physical loss or the occurrence that triggered the homeowners assessment occurred prior to the effective date of the policy period in which the assessment was charged and the house at the time of the loss was not listed on this or any other policy issued by a direct or indirect subsidiary of Chubb Limited, we will pay up to the limit that was in effect with your prior policy, but not more than \$2,000, for any one occurrence.

In the Policy Terms, General Conditions, Policy period, the following condition does not apply to Homeowner assessments: All coverages on this policy apply only to occurrences that take place while this policy is in effect.

Unless an earthquake special deductible applies as stated above, there is no deductible for this coverage.

Other permanent structures

This coverage is in effect only if an amount of coverage greater than zero is shown in the Coverage Summary for Other permanent structures.

Extra Coverages

(continued)

We cover other permanent structures on the grounds of your house. For each occurrence, we will pay up to the amount of coverage shown in the Coverage Summary for "other permanent structures" at this location. The same payment basis applies to other permanent structures as to the house itself unless stated otherwise in the Coverage Summary.

Additional living expenses

Under certain conditions when your house or other permanent structure cannot be lived in because of a covered loss to your house or other permanent structure or, if applicable, its contents, we provide coverage for additional living expenses which consists of extra living expenses, loss of fair rental value, and forced evacuation expenses. If Limited additional living expenses coverage is shown in the Coverage Summary, the amount shown for this limited coverage is the maximum amount we will pay for all additional living expenses combined for each occurrence. There is no deductible for this coverage.

"Contents" means personal property you, a family member, or a domestic employee owns or possesses covered by us.

Extra living expenses. If a covered loss makes your house or other permanent structure uninhabitable, we cover the reasonable increase in your normal living expenses that is necessary to maintain your household's usual standard of living, including the boarding of domestic animals not primarily owned or kept for business use. We will pay for the boarding of your domestic animals displaced from an other permanent structure even when you have not been displaced by the covered loss. We cover these increases to your normal living expenses for a period of time commencing with the date of loss and ending with the earliest of the following:

- the reasonable amount of time required to restore your house or other permanent structure to a habitable condition;
- the shortest amount of time required to settle elsewhere if you or members of your household permanently relocate;
- the reasonable amount of time required to restore the house or other permanent structure to the condition it was in prior to the covered loss if you are newly constructing your house or other permanent structure or constructing additions, alterations, or renovations to your house or other permanent structure at the time of a covered loss, but we will only cover the increase in your normal living expenses incurred by you; or
- up to two years from the date of loss, or a later date if agreed to by us.

If your house is vacant at the time of the covered loss or you are temporarily not living in your house because of construction or renovation prior to the covered loss, then we do not cover Extra living expenses.

However, if your planned move-in date is extended due to the covered loss, we will only pay Extra living expenses beyond the planned move-in date.

You must inform us of your decision whether you intend to repair, replace, or rebuild the house or other permanent structure, or to permanently relocate, within 180 days from the date of loss, or a later date if agreed to by us. If you do not inform us of your decision by this date, the extra living expenses will cease in 30 days.

This period of time is not limited by the expiration of this policy.

Extra Coverages

(continued)

Fair rental value. If a covered loss makes a part of your house or other permanent structure which you usually rent to others uninhabitable, we cover its fair rental value during the period of time it is usually rented for the reasonable amount of time required to restore it to a habitable condition. We will cover the fair rental value for a period of time commencing with the date of loss and ending with the earliest of the following:

- the reasonable amount of time required to restore your house or other permanent structure to a habitable condition; or
- up to two years from the date of loss, or a later date if agreed to by us.

However, you must inform us of your decision whether you intend to repair, replace, or rebuild the house or other permanent structure, within 180 days from the date of loss, or a later date if agreed to by us. If you do not inform us of your decision by this date, the coverage for fair rental value will cease in 30 days.

This period of time is not limited by the expiration of this policy.

Forced evacuation expenses. If you evacuate your house or other permanent structure due to a reasonable threat of a loss covered under this policy, or you are forced to evacuate by a civil authority as a direct result of a covered peril, we cover the reasonable increase in your normal living expenses incurred by you that is necessary to maintain your household's usual standard of living, including the boarding of domestic animals not primarily owned or kept for business use. We also cover any loss in fair rental value if your house or other permanent structure is usually held for rental, but we do not cover any loss of rents due to cancellation of a lease or agreement. However, if we determine after the threat of loss is over that there is no covered loss to your house or other permanent structure that makes it uninhabitable, this extra coverage will cease, unless a civil authority prohibits you from use of your house or other permanent structure due to a peril covered under this policy.

We cover these forced evacuation expenses for up to 30 consecutive days, even if the policy period ends during that time.

Land

Whenever there is a covered loss to your house or other permanent structure and the related repair, replacement, or rebuilding requires excavation, replacement or stabilization of land under or around your house or other permanent structure, we will pay the necessary cost for the excavation, replacement, or stabilization of the land. The amount of coverage is 10% of the amount of the covered loss to your house or other permanent structure, but not less than \$10,000.

Landscaping

We cover trees, shrubs, plants, and lawns, which are on the grounds of your house and other permanent structures, against certain kinds of perils. These are fire, lightning, explosion, civil disturbance, vandalism, malicious mischief, theft, and loss caused by a vehicle or aircraft.

We will pay:

- up to a total of 5% of the amount of coverage for the house at which the loss occurs, unless a greater percentage is shown in the Coverage Summary, but
- not more than \$10,000 for any one tree, shrub, or plant, unless a greater amount is shown in the Coverage Summary.

Deluxe House Coverage

Extra Coverages

(continued)

If your payment basis is extended replacement cost, the 5% is applied to the increased amount of coverage.

This extra coverage does not apply to naturally occurring or native grown vegetation, including but not limited to brush, woodlands, forests, grasslands, wetlands or mangroves. We also do not cover vineyards, sod farms, tree farms, orchards, and crops or plants containing cannabinoids grown or used primarily for business purposes.

This extra coverage applies only if you begin to repair or replace the lost or damaged property within 180 days of the date of loss, or a later date if agreed to by us.

Tree removal

Unless covered elsewhere under this policy, we will pay the reasonable expenses you incur up to a total of \$1,000 for each occurrence to remove trees fallen due to wind, hail, sleet or the weight of ice or snow. These payments apply only to fallen trees at a location shown in the Coverage Summary.

Fire or police department charges

If a fire or police department is called to protect your house or its grounds against a covered loss, we will pay up to \$1,000 for any charges imposed by law or assumed by written agreement. There is no deductible for this coverage.

Lock replacement

If the keys or remote unlocking devices to the exterior doors of your house or other permanent structure or to an electronic gate which you own and used solely for your house or other permanent structure, are lost or stolen, we will pay the cost to re-key or replace the locks or remote unlocking devices, whichever is less, up to \$2,000. There is no deductible for this coverage.

Debris removal

Unless covered elsewhere under this policy, we cover the reasonable expenses you incur made necessary by a covered loss to demolish damaged covered property, if necessary, and remove debris of the covered loss including the property that caused a covered loss.

Temporary precautionary repairs

After a covered loss, we cover the reasonable expenses you incur for necessary temporary precautionary repairs made solely to protect your house or other permanent structure against further covered damage. If the Limited ability to rebuild provision applies and you repair, replace or rebuild your house at the same location, the maximum amount of Rebuilding to code coverage for each occurrence is limited to the amount of Rebuilding to code coverage shown in your Coverage Summary, or 30% of the amount of coverage for your house at this location shown in your Coverage Summary, whichever is less at the time of a covered loss.

This coverage does not apply unless you repair, replace, or rebuild your house or other permanent structure at the same location.

GreenWise® utility expenses

As described below, if you have a covered loss to your solar, wind, or geothermal electrical power-generating system or to your alternative water system on the grounds of your house, we provide coverage for GreenWise utility expenses, which consists of power utility expenses, power utility income, and alternative water expenses. The maximum amount we will pay for all GreenWise utility expenses combined for each occurrence is \$50,000. These payments do not increase the amount of coverage for your house or other permanent structures. There is no deductible for this coverage.

Power utility expenses. If a covered loss to your solar, wind, or geothermal electrical power-generating system on the grounds of your house makes it necessary for you to purchase all of your electrical power from a power utility company, we cover the increase in these utility expenses for the reasonable amount of time required to restore or replace the system, even if the policy period ends during that time.

Power utility income. If a covered loss to your solar, wind, or geothermal electrical power-generating system on the grounds of your house causes a loss of your power utility income, we cover this loss of your power utility income for the reasonable amount of time required to restore or replace the system, even if the policy period ends during that time.

Extra Coverages

(continued)

"Power utility income" means income paid to you, or renewable energy certificates or other similar monetary credits issued to you, by a power utility company for income or credits you earn from the excess electrical power produced by your solar, wind, or geothermal electrical power-generating system. We average the income or the value of the certificates or credits over the 12-month period immediately prior to a covered loss.

Alternative water expenses. If a covered loss to your alternative water system makes it necessary for you to purchase replacement water for residential watering of the grounds of your house, we cover the increase in these water expenses for the reasonable amount of time required to restore or replace the system, even if the policy period ends during that time. However, we do not cover this increase if the covered loss is to only the system's sprinkler heads.

"Alternative water system" means a plumbing system and its components, including cisterns and holding tanks, permanently installed on the grounds of your house to supply or reuse non-potable, untreated or partially-treated household wastewater, ground water, or rain water, also called "gray water", for residential watering of the grounds of your house in accordance with your local building codes. Alternative water system does not include a water well.

Coverage for power utility expenses, power utility income, and alternative water expenses applies only if you begin to repair or replace the applicable lost or damaged solar, wind, or geothermal electrical power-generating system or your alternative water system within 180 days of the date of loss, or a later date if agreed to by us.

Water detection expense

We will reimburse you up to \$5,000 for the reasonable cost and installation of a water leak detection and control system following a covered water damage loss to your house shown in the Coverage Summary, to its other permanent structures, or to other property in these structures covered under this policy. This extra coverage applies only if:

- the amount of the covered water damage loss to covered property is \$10,000 or more prior to the application of any applicable deductible;
- the covered water damage loss is caused by a leak or break in a plumbing, heating, or air conditioning system; and
- the installation of a water leak detection and control system would protect against a similar loss in the future and was the first time such a system was installed in your house or other permanent structures, which had the covered water damage loss.

These payments do not increase the amount of coverage for your house or other permanent structures.

"Water leak detection and control system" means a system in your house or its other permanent structures that monitors:

- areas containing plumbing devices, appliances, and other outlets for a water leak and if detected, closes the main water supply line; or
- unusual water flow patterns or unexpected interior water overflow and if detected, closes the main water supply line.

There is no deductible for this expense.

Extra Coverages

(continued)

Generator installation expense

We will reimburse you for the reasonable cost of labor you incurred, up to \$2,500, to install a "generator system" following a covered water damage loss to your house shown in the Coverage Summary, to its other permanent structures, or to other property in these structures covered under this policy. This extra coverage applies only if:

- the amount of the covered water damage loss to covered property is \$10,000 or more prior to the application of any applicable deductible; and
- the covered water damage loss is caused by frozen pipes or failure of sump pumps due to loss of electrical power.

These payments do not increase the amount of coverage for your house or other permanent structures.

"Generator system" means a generator that can automatically supply backup electricity to maintain operation to critical loads such as a sump pump, heating system, refrigerator or a freezer, and alarms or residential fire sprinkler system, if applicable, for your house or other permanent structures when there is a loss of electrical power.

There is no deductible for this expense.

Mine subsidence

We cover your house and other permanent structures on the grounds of your house against direct loss caused by mine subsidence.

Mine subsidence means loss caused by lateral or vertical movement of a man-made underground mine or underground mine related excavations including any resulting collapse of your house or other permanent structures on the grounds of your house, including but not limited to coal, clay, limestone, and fluorspar mines. Mine subsidence does not mean loss caused by collapse of storm and sewer drains, and rapid transit tunnels.

The amount of coverage is limited to the amount shown in the Coverage Summary.

The exclusions of loss caused by structural movement, and earth movement in this policy do not apply to mine subsidence.

Mold remediation expenses

We provide coverage for mold remediation expenses you incur, made necessary by a covered water damage loss to your house shown in the Coverage Summary, or its other permanent structures, or by a covered water damage loss to your contents anywhere in the world if contents coverage is shown in the Coverage Summary for this location. For an occurrence, the maximum amount of coverage for mold remediation expenses is \$10,000, plus any additional amount of coverage shown in the Coverage Summary for mold remediation expenses at this location. These payments do not increase the amount of coverage for your house, other permanent structures, or contents.

Deluxe House Coverage

Extra Coverages

- removing debris solely due to mold; and
- repairing or replacing covered property damaged or removed solely due to mold.

We also provide coverage for temporary relocation expenses you incur, made necessary by mold remediation. For each occurrence, we will pay up to 20% of the total amount of mold remediation expense coverage. There is no deductible for temporary relocation expenses.

"Temporary relocation expenses" means:

- the reasonable increase in your normal living expenses that is necessary to maintain your household's usual standard of living for the reasonable amount of time required to complete mold remediation; and
- the fair rental value of that part of your house rented or held for rental, for the reasonable amount of time required to complete mold remediation, during the period of time it is usually rented.

"Contents" means personal property you or a family member owns or possesses covered by us.

"Mold" means fungi, mold, mold spores, mycotoxins, and the scents and other byproducts of any of these.

We will not make any additional payments for mold remediation expenses or temporary relocation expenses under any other Extra Coverage.

The amount of coverage for mold remediation expenses and temporary relocation expenses for your house is the most we will pay for the sum of all mold remediation expenses and temporary relocation expenses, regardless of the number of covered water damage losses that occur during the policy period.

But we do insure ensuing covered loss unless another exclusion applies.

Special rules for escaping water. If any of the causes of loss previously described in the exclusions for Gradual or sudden loss, Contamination, Loss by animals, or Structural movement cause water to escape from within a household appliance, swimming pool, or plumbing, heating, or air conditioning system, we cover the loss to covered property caused by the water. We provide this coverage unless an exclusion applies other than the exclusions for Gradual or sudden loss, Contamination, Loss by animals, or Structural movement. This coverage also includes the cost of tearing out and replacing any part of the house or other permanent structure necessary to repair the appliance, swimming pool, or system. We do not cover loss to the appliance, swimming pool, or system itself.

Freezing water. We do not cover any loss caused by water freezing in a plumbing, heating, or air conditioning system, or household appliance if the house or other permanent structure is vacant, unoccupied, or being constructed, unless you used reasonable care to maintain heat by setting the thermostat to a temperature no lower than 55 degrees Fahrenheit in the building or shut off and drained the system or appliance. Payment for a Loss

Amount of coverage

The amount of coverage for contents at each house for each occurrence is shown in the Coverage Summary. At the time of a covered loss, the amount of coverage for contents will be adjusted to include any increase in the United States Consumer Price Index calculated from the beginning of the policy period.

If a change in the amount of coverage for your house is made, including the application of extended replacement cost, the amount of coverage for contents will be adjusted proportionately. To reduce the possibility of being underinsured, you should periodically review your amount of coverage for contents and request an increase if you feel the amount of coverage is insufficient.

For a covered loss to contents, the amount of coverage depends on where the loss occurs:

At a house with contents coverage. If the covered loss takes place at a listed house with contents coverage in this policy, we will pay up to the amount of contents coverage for that house, for each occurrence.

Away from your residences. If the covered loss takes place away from any residence you own or live at, for each occurrence we will choose the single listed location on which the payment is to be made, based upon the most favorable combination of the following:

- amount of contents coverage
- payment basis
- type of contents coverage

Regardless of the number of policies providing you with contents coverage, payment will be made based only on this chosen location and will not be made under more than one policy.

At your residence not listed in this policy or other policies. If the covered loss takes place at a residence you own or live at that does not have contents, condominium, cooperative or renters coverage listed in this or any other policy issued by a direct or indirect subsidiary of Chubb Limited, we will pay up to 10% of the highest amount of contents coverage in this policy, for each occurrence. However, contents in a newly acquired principal residence is not subject to this limitation for the 60 days immediately after you begin to move your contents there.

We will choose the single listed location on which the payment is to be made, based upon the most favorable combination of the following:

- amount of contents coverage
- payment basis
- type of contents coverage

Regardless of the number of policies providing you with contents coverage, payment will be made based only on this chosen location and will not be made under more than one policy.

Deductibles

A deductible is that amount we will subtract from the amount of a covered loss we pay. Either the base deductible listed in the Coverage Summary or one of the special deductibles applies to each occurrence, unless stated otherwise.

Payment basis

Your Coverage Summary indicates the payment basis for contents.

Replacement cost. If the payment basis is replacement cost, we will pay the full cost to replace the contents without deduction for depreciation, or the amount required to repair the damage, whichever is less, up to the amount of coverage.

However, for contents which are obsolete or unusable for the purpose for which they were originally intended because of their age or condition, the payment basis will be actual cash value.

Actual cash value. If the payment basis is actual cash value, we will pay the cost to replace the contents less depreciation, or the amount required to repair the damage, whichever is less, up to the amount of coverage.

Pairs, sets, and parts. For a covered loss to a pair or set, or to part of a larger unit, we will pay whichever is least:

- the cost to repair the damaged property to its condition before the loss;
- the cost to replace it; or
- the cost to make up the difference between its market value before and after the loss.

However, if you agree to surrender the undamaged article(s) of the pair, set, or parts to us and we agree to accept, we will pay you the full replacement cost of the entire pair, set, or parts.

Special limits

For a covered loss to each category of contents listed below, we will not pay more than the amount shown. For any one occurrence, payment will be under the category providing you with the most coverage. These special limits do not increase the amount of coverage on your contents or on any item covered elsewhere in this policy.

This part of your Masterpiece Policy provides you with coverage against all risk of physical loss to your valuable articles anywhere in the world unless stated otherwise or an exclusion applies.

"Valuable articles" means personal property you or a family member owns or possesses for which an amount of coverage is shown in the **Valuable Articles** section of your Coverage Summary.

The following is added to the definition of "you" in the introduction: You also means a person who has entered into a civil union with the person named in the Coverage Summary and who also lives with that person.

Payment for a Loss

Amount of coverage

The amount of coverage for each category of valuable articles, and for each itemized article, is shown in your Coverage Summary.

To help you maintain an appropriate amount of coverage, if itemized jewelry is shown in your Coverage Summary, we increase the amount of coverage for each article of itemized jewelry annually by a percentage based on industry trends for jewelry values plus, if you request, an additional percentage amount.

Itemized articles

For a covered loss to an article listed in your schedule of itemized articles, we will pay as follows:

Total loss. If an itemized article is totally destroyed or lost, we will pay the amount of itemized coverage for that article. However, if the market value of the itemized article immediately before the loss exceeds the amount of itemized coverage for that article, we will pay its market value immediately before the loss, up to 150% of the amount of itemized coverage for that article, but not more than the Maximum amount of coverage.

Partial loss. If an itemized article is partially lost or damaged, you may choose either of the following:

- If you choose to restore the article, we will pay the costs to restore the article to its condition immediately before the loss up to the amount of itemized coverage for that article. If the article cannot be restored to its condition immediately before the loss, we will pay any loss of market value plus the restoration costs up to 150% of the amount of itemized coverage for that article.
- If you choose not to restore the article, we will pay any loss of market value, up to 150% of the amount of itemized coverage for that article.

However, the most we will pay in any one loss is the Maximum amount of coverage.

The loss of market value is determined as follows:

- If the amount of itemized coverage for the article is less than the market value immediately before the loss, we will apply the percentage change to the market value immediately before the loss.
- If the amount of itemized coverage for the article is equal to or greater than the market value immediately before the loss, we will apply the percentage change to the amount of itemized coverage for that article.

"Percentage change" means the change in market value resulting from the covered loss, after restoration if any, expressed as a percentage.

Valuable Articles Coverage

Payment for a Loss

(continued)

Maximum amount of coverage. The maximum amount we will pay for a covered loss to one or more itemized articles in any one category of valuable articles is the amount of itemized coverage shown in the Coverage Summary for the applicable category of valuable articles.

In-vault jewelry. Itemized jewelry described in the Coverage Summary as "in-vault" must be kept in a bank vault. There is no coverage for these items while they are out of a vault, unless we agree in advance to cover them.

Blanket coverage

For a covered loss to valuable articles with blanket coverage, we will pay the amount required to repair or replace the property, whichever is less, without deduction for depreciation. If the restored value is less than the market value immediately prior to the loss, we will pay the difference. But we will not pay more than the amount of blanket coverage for that category. And we will not pay more than the blanket limit per item for loss to any one article as shown in the Coverage Summary.

The following valuable articles are eligible for blanket coverage:

Jewelry. An article of personal adornment containing gemstones, silver, gold, platinum, or other precious metals or alloys.

Furs. Garments made of, trimmed in, or consisting principally of fur.

Payment for a Loss

(continued)

Pairs, sets, and parts

If the covered loss is to part of a pair or set, or larger unit listed in your schedule of itemized articles, you may choose either of the following:

- If you do not surrender the undamaged article(s) of the pair, set or unit, we will pay the covered loss as a partial loss for the damaged article(s) of the pair, set or unit as previously described under **Itemized articles**.
- If you agree to surrender the undamaged article(s) of the pair, set or unit to us, we will pay the covered loss as a total loss for that pair, set or unit as previously described under **Itemized articles**.

If the covered loss is to part of a pair or set, or larger unit with blanket coverage we will pay whichever is least:

- the cost to repair the damaged property to its condition before the loss;
 - the cost to replace it; or
 - the difference between its market value immediately before and after the loss.
- If you agree to surrender the undamaged article(s) of the pair, set or unit to us and we agree to accept, we will pay you the full replacement cost of the entire pair, set or unit, as a total loss, subject to the applicable blanket limit per item and amount of blanket coverage for that valuable articles category.

"Replacement cost" means the amount required to repair or replace the pair, set, or unit, whichever is less.

Our option

When we pay for a total loss, we may keep all or part of the damaged property.

Recoveries

If we pay for a covered loss to property and we recover that property, we agree to offer you an opportunity to buy it back. We will offer it to you at no higher an amount than we paid to you for that property.

Valuable Articles Coverage

Extra Coverages

In addition to covering the physical loss to your valuable articles, we also provide other related coverages. These coverages are in addition to the amount of coverage for your valuable articles unless stated otherwise or an exclusion applies. Exclusions to these coverages are described in **Exclusions**.

Newly acquired valuable articles

For some categories of valuable articles, we automatically cover newly acquired articles that you own if you already have itemized articles shown on the Coverage Summary in that category. The amount of coverage for these articles is described below.

We reserve the right not to insure the newly acquired articles after the 90th day.

We reserve the right not to insure the newly acquired articles after the 90th day.

Fine art on loan or consignment

If an amount of coverage for itemized fine arts is shown in your Coverage Summary, we will pay up to 25% of your total itemized coverage for fine arts, but not more than \$1,000,000, for a loss that would be covered under this policy to fine art on loan or consignment to you from a gallery or dealer for up to seven days. This is the most we will pay regardless of the number of fine art articles on loan or consignment involved in the occurrence or the number of policies providing you with coverage for fine arts issued by a direct or indirect subsidiary of Chubb Limited. The market value, retail value, or the value on the written sale agreement, whichever is less, of the fine art article(s) on the day you take possession is the amount of coverage for a fine art article at the time of a covered loss.

Fine art expenses

As described below, we pay for expenses you incur for defective title and works in progress. These extra coverages apply only if an amount of coverage for fine art, either blanket or itemized, is shown in your Coverage Summary.

This coverage only applies to claims made against you and reported to us during the policy period. We will pay for the costs you incurred for the materials or supplies for the artist and the contracted costs for labor up to \$100,000 but not more than the amount of nonrecoverable deposits or the full commission price if prepaid. This is the most we will pay regardless of the number of policies providing you with coverage for fine art issued by a direct or indirect subsidiary of Chubb Limited.

Jewelry works in progress

If an amount of coverage for itemized or blanket jewelry is shown in your Coverage Summary, we cover uncompleted articles of jewelry by a jeweler or designer commissioned by you that are stolen, or damaged or destroyed by a peril that would be covered under this policy, or which cannot be completed by the jeweler or designer due to the death or insolvency of the jeweler or the designer.

We will pay the costs you incurred for the materials or supplies (whether supplied by you or the jeweler or designer, and only if nonrecoverable from the jeweler or designer), the contracted costs for labor, and nonrecoverable deposits, up to \$100,000 in any one occurrence. This is the most we will pay regardless of the number of jewelry articles involved in the occurrence or the number of policies providing you with coverage for jewelry issued by a direct or indirect subsidiary of Chubb Limited.

Jewelry on loan or consignment

If an amount of coverage for itemized jewelry is shown in your Coverage Summary, we will pay up to 25% of your total itemized coverage for jewelry, but not more than \$100,000, for a loss that would be covered under this policy for jewelry articles on loan, on consignment or rented to you from a jeweler for up to seven days. This is the most we will pay regardless of the number of jewelry articles involved in the occurrence or the number of policies providing you with coverage for jewelry issued by a direct or indirect subsidiary of Chubb Limited. Acts of war. We do not cover any damages caused directly or indirectly by war, undeclared war, civil war, insurrection, rebellion, revolution, warlike acts by military forces or personnel, the destruction or seizure of property for a military purpose, or the consequences of any of these actions.

Contractual liability. We do not cover any assessments charged against a covered person as a member of a homeowners, condominium or cooperative association. We also do not cover any damages arising from contracts or agreements made in connection with any covered person's business. Nor do we cover any liability for unwritten contracts, or contracts in which the liability of others is assumed after a covered loss.

Covered person's or dependent's personal injury. We do not cover any damages for personal injury for any covered person or their dependents where the ultimate beneficiary is the offending party or defendant. We also do not cover any damages for personal injury for which you or a family member can be held legally liable, in any way, to a spouse, a family member, a person who lives with you, or a person named in the Coverage Summary. We also do not cover any damages for personal injury for which a spouse, a family member, a person who lives with you, or a person named in the Coverage Summary can be held legally liable, in any way, to you or a family member.

However, we do cover damages for bodily injury arising out of the use of a motorized land vehicle for which you or a family member can be held legally liable to a spouse, a family member, or a person named in the Coverage Summary, or for which a spouse, a family member, or any other person named in the Coverage Summary can be held legally liable to you or a family member to the extent that coverage is provided under this part of your Masterpiece policy.

A person who lives with you does not include a temporary guest who has a permanent residence elsewhere.

Liability for dependent care. We do not cover any damages for personal injury for which a covered person's only legal liability is by virtue of a contract or other responsibility for a dependent's care.

Fungi and mold. We do not cover any actual or alleged damages arising out of mold, the fear of mold, or any consequences resulting from mold or the fear of mold, other than as provided under the Extra Coverage, Fungi and mold. "Mold" means fungi, mold, mold spores, mycotoxins, and the scents and other byproducts of any of these.

Liability for the acts of others. We do not cover any person for damages arising from:

- any entrustment of property;
- the failure to supervise or the negligent supervision of any person; or
- any parental or ownership liability.

This exclusion applies only to damages arising out of the ownership, maintenance or use of any motorized land vehicle, watercraft 26 feet or longer or with more than 50 engine rated horsepower, aircraft, or hovercraft.

This exclusion does not apply to:

- the Extra Coverage, Rented or borrowed vehicles; or
- any other coverage provided under an exclusion in this part of your policy.

Exclusions

(continued)

Nuclear or radiation hazard. We do not cover any damages caused directly or indirectly by nuclear reaction, radiation, or radioactive contamination, regardless of how it was caused.

The following exclusions, Malicious or criminal acts and Special exclusions, apply solely to Employment practices liability coverage.

Malicious or criminal acts. We do not cover any damages arising out of a willful, malicious, or criminal act or omission by any person whether or not the injuries or damages are actually intended, expected, or foreseeable by a reasonable person. But we do cover such damages if the act was intended to protect people, unless another exclusion applies.

Special exclusions. We do not cover the following:

- matters which may be deemed uninsurable according to any federal, state, or local statute, regulation, ordinance, or common law of the United States of America, its territories or possessions, or Puerto Rico under which the policy is construed;
- occurrences arising out of the breach of an actual or implied written or oral agreement related to employment;
- costs incurred to comply with any order, grant, or agreement to provide non-monetary relief; or
- occurrences arising out of any actual or alleged violation of any of the responsibilities, obligations, or duties imposed by the Consolidated Omnibus Budget Reconciliation Act, Employment Retirement Income Security Act of 1974, Fair Labor Standards Act (except the Equal Pay Act), state wage payment and collection laws, Federal Insurance Contributions Act, Immigration Reform and Control Act of 1986, National Labor Relations Act, Occupational Safety and Health Act, Social Security Act, Workers' Adjustment and Retraining Notification Act, including any amendments to these laws, promulgated rules, or regulations or any provisions of any similar federal, state, or local statute, regulation, ordinance, or common law of the United States of America, its territories or possessions, or Puerto Rico.

This part of your Masterpiece Policy explains the conditions that apply to your policy.

General Conditions

These conditions apply to your policy in general, and to each coverage in it.

Policy period

The effective dates of your policy are shown in the Coverage Summary. Those dates begin at 12:01 a.m. standard time at the mailing address shown. Each renewal period shall be for a similar term.

All coverages on this policy apply only to occurrences that take place while this policy is in effect.

Renewals

We or our agent may offer to continue this policy for renewal periods, at the premiums and under the policy provisions in effect at the date of renewal. We can do this by mailing you a bill for the premium to the address shown in the Coverage Summary, along with any changes in the policy provisions or amounts of coverage.

You may accept our offer by paying the required premium on or before the starting date of each renewal period.

Transfer of rights

If we make a payment under this policy, we will assume any recovery rights a covered person has in connection with that loss, to the extent we have paid for the loss.

All of your rights of recovery will become our rights to the extent of any payment we make under this policy. A covered person will do everything necessary to secure such rights; and do nothing after a loss to prejudice such rights. However, you may waive any rights of recovery from another person or organization for a covered loss in writing before the loss occurs.

Concealment or fraud

We do not provide coverage if you or any covered person has intentionally concealed or misrepresented any material fact relating to this policy before or after a loss.

Application of coverage

The amount of coverage applies separately to each covered person, but does not increase the amount of coverage for any one occurrence.

Duplicate coverages

If a loss is covered under more than one part of this policy, we will pay you under the part giving you the most coverage, but not under more than one part. However, when both Valuable Articles Coverage and contents coverage are shown in the Coverage Summary, and a loss is covered under both parts, your amount of coverage will equal the combined total of both contents and Valuable Articles Coverage subject to the Contents Special limits and policy provisions. In no event will we make duplicate payments.

Assignment

You cannot transfer your interest in this policy to anyone else unless we agree in writing to the transfer.

General Conditions

(continued)

Policy changes

This policy can be changed only by a written amendment we issue.

Bankruptcy or insolvency

We will meet all our obligations under this policy regardless of whether you, your estate, or anyone else or his or her estate becomes bankrupt or insolvent.

In case of death

In the event of your death, we cover your legal representative or any person having proper temporary custody of your property until a legal representative is appointed and qualified, but only with respect to your premises and other property covered under the policy at the time of death. We will also cover any member of your household who is a covered person at the time of death.

Liberalization

We may extend or broaden the coverage provided by this policy. If we do this during the policy period or within 60 days before it begins, without increasing the premium, then the extended or broadened coverage will apply to occurrences after the effective date of the extended or broadened coverage.

Conforming to state law

If any provision of this policy conflicts with the laws of the state you live in, this policy is amended to conform to those laws.

Conforming to trade sanction laws

This policy does not apply to the extent that trade or economic sanctions or other laws or regulations prohibit us from providing insurance.

Liability Conditions

These conditions apply to all liability coverages in this policy.

Other insurance

Personal and Excess: This insurance is excess over any other insurance except that written specifically to cover excess over the amount of coverage that applies in this policy.

Additional liability protection. If you have Masterpiece Personal Liability Coverage or Vehicle Liability Coverage, you are eligible to apply for excess liability protection. The additional protection covers your house, vehicle(s) and other personal exposures under our Masterpiece Excess Liability Coverage. Acceptance is subject to our approval.

When you no longer have at least one of either Masterpiece Personal Liability Coverage or Vehicle Liability Coverage, your eligibility for Masterpiece Excess Liability Coverage will cease as of the cancellation or nonrenewal date. If Masterpiece Excess Liability has been provided, it will be cancelled or nonrenewed at the earliest date allowed by law and an appropriate notice of cancellation or nonrenewal will be issued.

Liability Conditions

(continued)

Your duties after a loss

In case of an accident or occurrence, the covered person shall perform the following duties that apply:

Notification. You must notify us or your agent as soon as possible.

Assistance. You must provide us with all available information. This includes any suit papers or other documents which help us in the event that we defend you.

Cooperation. You must cooperate with us fully in any legal defense. This may include any association by us with the covered person in defense of a claim reasonably likely to involve us.

Appeals

If a covered person, or any primary insurer, does not appeal a judgement for covered damages, we may choose to do so. We will then become responsible for all expenses, taxable costs, and interest arising out of the appeal. However, the amount of coverage for damages will not be increased.

Property Conditions

These conditions apply to all coverage for damage to property.

Other insurance

When other property insurance applies to a covered loss, we will pay only the portion of the loss that the amount of coverage under this policy bears to the total amount of insurance covering the loss, except as follows:

Condominiums and Cooperatives: If there is other insurance in the name of the condominium or cooperative association covering the same property covered by us, our coverage shall be in excess of the other insurance.

Valuable articles: If there is other insurance in the name of a consignor, gallery, auction house or museum, covering the same property covered by us, our coverage shall be in excess of a loss covered under the other insurance.

Your duties after a loss

If you have a loss this policy may cover, you must perform these duties:

Notification. You must immediately notify us or your agent of your loss. In case of theft or accident, you must also notify the police or similar competent authority.

Protect property. You must take all reasonable means that are necessary to protect property from further loss or damage.

Property Conditions

(continued)

Prepare an inventory. You must prepare an inventory of damaged personal property, describing the property in full. It should show in detail the amount insured under this policy and actual amount of the loss. Attach bills, receipts, and other documents to support your inventory.

Display property. You must show us the damaged property when we ask.

Examination under oath. We have the right to examine separately under oath as often as we may reasonably require you, family members and any other members of your household and have them subscribe the same. We may also ask you to give us a signed description of the circumstances surrounding a loss and your interest in it, and to produce all records and documents we request and permit us to make copies.

Proof of loss. You must submit to us, within 60 days after we request, your signed, sworn proof of loss which documents, to the best of your knowledge and belief:

- the time and cause of loss;
- interest of the insured and all others in the property involved and all liens, claims and obligations on the property;
- other insurance which may cover the loss;
- changes in title or occupancy of the property during the term of the policy;
- specifications of any damaged building and detailed estimates for repair of the damage;
- an inventory of damaged personal property;
- receipts for additional living expenses incurred and records supporting the fair rental value loss;
- evidence or affidavit supporting a claim under the Credit Card, Forgery and Counterfeit Money coverage, stating the amount and cause of loss.

Insurable interest

We will not pay for any loss to property in which you or a family member does not have an insurable interest at the time of the loss.

If more than one person has an insurable interest in covered property, we will not pay for an amount greater than your interest, up to the amount of coverage that applies.

Abandoning property

You cannot abandon any property to us unless we agree to accept it, or to a third party unless we agree.

Carrier and bailees

We will not make any payments under this policy to the benefit of any carrier or other bailee of damaged or lost property.

Special Conditions

In the event of conflict with any other conditions of your policy, these conditions supersede.

Legal action against us

You agree not to bring legal action against us unless you have first complied with all conditions of this policy. For property, you also agree to bring any action against us within two years after a loss occurs, but not until 30 days after proof of loss has been submitted to us and the amount of loss has been determined.

For liability, you also agree not to bring any action against us until the obligation has been determined by final judgement or a written agreement by us.

Appraisals

If you or we fail to agree on the amount of loss, you or we may demand an appraisal of the loss. Each party will select an appraiser within 20 days after receiving written request from the other. The two appraisers will select a third appraiser. If they cannot agree on a third appraiser within 15 days, you or we may request that the selection be made by a judge of a court having jurisdiction. Written agreement signed by any two of the three appraisers shall set the amount of the loss. However, the maximum amount we will pay for a loss is the applicable amount of coverage even if the amount of the loss is determined to be greater by appraisal. Each appraiser will be paid by the party selecting the appraiser. Other expenses of the appraisal and the compensation of the third appraiser shall be shared equally by you and us. We do not waive our rights under this policy by agreeing to an appraisal.

Mortgagee or loss payee

If a mortgagee or loss payee is named in this policy, any loss payable will be paid to the mortgagee or loss payee and you, as interests appear. If more than one mortgagee is named, the order of payment will be the same as the order of precedence of the mortgagees. We cover the interests of the loss payee unless the loss results from fraudulent acts or omissions on your part.

If we deny your claim, that denial will not apply to a valid claim of the mortgagee or loss payee, provided that the mortgagee or loss payee:

- notifies us of any change in ownership, occupancy, or substantial change in risk of which the mortgagee or loss payee is aware;
- pays any premium due under this policy on demand if you have neglected to pay the premium; and
- submits a signed, sworn statement of loss within 60 days after receiving notice from us of your failure to do so.

Policy conditions relating to appraisals and legal action against us, apply to the mortgagee and loss payee. If the policy is cancelled or not renewed by us, the mortgagee or loss payee will be notified at least 30 days before the date cancellation or nonrenewal takes effect.

If we pay the mortgagee or loss payee for any loss and deny payment to you, then:

- our rights are subrogated to all rights of the mortgagee or loss payee granted under the mortgage on the property; or
- at our option, we may pay to the mortgagee or loss payee the whole principal on the mortgage plus any accrued interest. In this event, we will receive a full assignment and transfer from the mortgagee or loss payee and all securities held as collateral to the debt.

Special Conditions

(continued)

Subrogation will not impair the right of the mortgagee or loss payee to recover the full amount of the mortgagee's or loss payee's claim.

Nonrenewal

If we decline to renew any coverage, we will mail such nonrenewal to the mailing address shown in the Coverage Summary before the policy ends, within the timeframes required by law with any nonrenewal reasons required by law. We will obtain a certificate of mailing.

Our right not to renew applies to each coverage or limit in this policy.

Your cancellation

You may cancel this policy or any part of it at any time by returning it to us or notifying us in writing of the future date that the cancellation is to take effect.

Our cancellation

We may cancel this policy or any part of it, subject to the following conditions. Our right to cancel applies to each coverage or limit in this policy.

Within 60 days. When this policy or any part of it has been in effect for less than 60 days, we may cancel with 30 days notice for any reason.

Nonpayment of premium. We may cancel this policy or any part of it with 10 days notice if you fail to pay the premium by the due date, regardless of whether the premium is payable to us, to our agent, or under any finance or credit plan.

Misrepresentation. We may cancel this policy or any part of it with 30 days notice if the coverage was obtained through misrepresentation, fraudulent statements, or omissions or concealment of a fact that is relevant to the acceptance of the risk or to the hazard we assumed.

Increase in hazard. We may cancel this policy or any part of it with 30 days notice if there has been a substantial change in the risk which increases the chance of loss after insurance coverage has been issued or renewed, including but not limited to an increase in exposure due to rules, legislation or court decision.

Valuable Articles coverage. We may cancel Valuable Articles coverage with 30 days notice for any reason. If the reason for cancellation is nonpayment of premium, as described previously, only 10 days notice is required.

Other cancellation reasons. We may cancel this policy or any part of it for any reason allowed by law.

Medina

If we cancel this policy or any part of it, we must notify you in writing. This notice will be mailed to you at the mailing address shown in the Coverage Summary within the timeframes required by law with any cancellation reasons required by law. We will obtain a certificate of mailing. This notice will include the date the cancellation is to take effect.

Special Conditions

(continued)

Refund

In the event of cancellation by you or by us, we will refund any unearned premium on the effective date of cancellation, or as soon as possible afterwards. The unearned premium will be computed pro rata for the unexpired term for each part of the policy.
