It is your responsibility to select and maintain adequate amounts of insurance on your dwelling and personal property. The coverage limits selected by you will be adjusted annually based on estimated changes in rebuilding and replacement costs, but the company does not guarantee that the coverage limits shown in these declarations will be sufficient to rebuild your dwelling or replace any other covered property. Please contact your agent if you would like to change the coverage limits in your policy.

This declaration supersedes any previous declaration bearing the same policy number for this policy period. This declaration provides only a summary of coverage. All coverage is subject to the terms, conditions, and exclusions of the policy contract.

The issuance of the policy, including all renewals, is based, in material part, on information you provided on the insurance application. If any information provided on the insurance application has changed, please notify your agent or the company, as the failure to update material information may adversely impact your policy, or the coverage provided by your policy.

Premium must be paid in United States dollars, and in a form acceptable to the company. See the Payment Options page on our website for details.
