ADVISORY NOTICE TO POLICYHOLDERS – FARMOWNERS GENERAL LIABILITY CYBER AND DATA PRIVACY CHANGES

This is a summary of changes in the Commercial General Liability portion of your Farm insurance. No coverage is provided by this summary nor can it be construed to replace any provisions of your policy. You should read your policy and review your Declarations page for complete information on the coverages you are provided. If there is any conflict between the Policy and this summary, **THE PROVISIONS OF THE POLICY SHALL PREVAIL.**

The various Farm insurance program changes described below are primarily categorized based on whether they result in a reduction or reinforcement of coverage. This notice does not reference every editorial and, in some cases, minor coverage change made in your policy.

The material in this notice makes reference to form and endorsement numbers; **however, not all forms and endorsements are included in a particular policy.**

Your policy may contain endorsements specific to Chubb that further broaden or restrict coverage.

1. Reductions Of Coverage

- **CG 40 35 – Exclusion – Cyber Incident**

When this endorsement is attached to your policy, coverage is excluded under Coverage A and Coverage B with respect to bodily injury, property damage or personal and advertising injury arising out of a cyber incident. To the extent that current policy exclusions do not apply to liability arising out of cyber incidents, attachment of this endorsement will result in a reduction of coverage.

2. Reinforcement Of Coverage

- **CG 00 69 – Exclusion – Violation Of Law Addressing Data Privacy**

When this endorsement is attached to your policy, an exclusion is added to Coverage A and Coverage B that excludes coverage for bodily injury, property damage or personal and advertising injury that generally arises out of the violation of statutes, ordinances, regulations or other laws generally pertaining to any person's or organization's confidential or personal material or information, including financial, health, biometric or other nonpublic material or information. This exclusion is a reinforcement of coverage intent. Damages related to violations of laws pertaining to data privacy are not intended to be covered under this Coverage Part.

3. No Impact To Coverage

- **CG 21 07 Exclusion – Access Or Disclosure Of Confidential Or Personal Information And Data-Related Liability – Limited Bodily Injury Exception Not Included**

This endorsement is being withdrawn and is being replaced on your policy by attaching both the **CG 21 06** and **CG 21 85**, which will result in no coverage impact.

- **CG 21 06 – Exclusion – Access Or Disclosure Of Confidential Or Personal Material Or Information**

This endorsement is revised to delete the provisions addressing the Electronic Data Exclusion, replace "damages" with "bodily injury" or "property damage" and add biometric information to the types of material or information addressed in the endorsement. Additionally, the types of expenses addressed in the last paragraph of the exclusion are expressly extended to identity monitoring expenses, data restoration expenses and extortion expenses. With respect to bodily injury, property damage and personal and advertising injury arising out of access or disclosure of confidential or personal material or information, the various changes in this revised endorsement are a reinforcement of coverage intent. With respect to deletion of the Electronic Data Exclusion, the changes in this revised endorsement result in no impact on coverage.

- **CG 21 85 – Exclusion – Electronic Data – Deletion Of Bodily Injury Exception**

When this endorsement is attached to your policy, the limited exception for bodily injury is deleted from Exclusion p. **Electronic Data under Coverage A**. Attachment of this endorsement replacing Endorsement **CG 21 07 Exclusion – Access Or Disclosure Of Confidential Or Personal Information And Data-Related Liability – Limited Bodily Injury Exception Not Included** results in no coverage impact with respect to loss of electronic data in Coverage A.

When this endorsement is attached to your policy, the limited exception for bodily injury is deleted from Exclusion p. **Electronic Data under Coverage A**. Attachment of this endorsement replacing Endorsement **CG 21 07 Exclusion – Access Or Disclosure Of Confidential Or Personal Information And Data-Related Liability – Limited Bodily Injury Exception Not Included** results in no coverage impact with respect to loss of electronic data in Coverage A.

The Office of Foreign Assets Control (OFAC) administers and enforces sanctions policy, based on Presidential declarations of "national emergency". OFAC has identified and listed numerous:

- Foreign agents;
- Front organizations;

**POLICYHOLDER DISCLOSURE
NOTICE OF TERRORISM
INSURANCE COVERAGE**

Coverage for acts of terrorism is included in your policy. You are hereby notified that under the Terrorism Risk Insurance Act, as amended in 2015, the definition of act of terrorism has changed. As defined in Section 102(1) of the Act: The term "act of terrorism" means any act or acts that are certified by the Secretary of the Treasury---in consultation with the Secretary of Homeland Security, and the Attorney General of the United States---to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. Under your coverage, any losses resulting from certified acts of terrorism may be partially reimbursed by the United States Government under a formula established by the Terrorism Risk Insurance Act, as amended. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses **85% through 2015, 84% beginning on January 1, 2016; 83% beginning on January 1, 2017, 82% beginning on January 1, 2018; 81% beginning on January 1, 2019 and 80% beginning on January 1, 2020** of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses exceeds \$100 billion in any one calendar year. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

The portion of your annual premium that is attributable to coverage for acts of terrorism is _____, and does not include any charges for the portion of losses covered by the United States government under the Act.

I ACKNOWLEDGE THAT I HAVE BEEN NOTIFIED THAT UNDER THE TERRORISM RISK INSURANCE ACT, AS AMENDED, ANY LOSSES RESULTING FROM CERTIFIED ACTS OF TERRORISM UNDER MY POLICY COVERAGE MAY BE PARTIALLY REIMBURSED BY THE UNITED STATES GOVERNMENT, MAY BE SUBJECT TO A \$100 BILLION CAP THAT MAY REDUCE MY COVERAGE AND I HAVE BEEN NOTIFIED OF THE PORTION OF MY PREMIUM ATTRIBUTABLE TO SUCH COVERAGE.

RESTRICTIONS OF TERRORISM COVERAGE WHEN THE POLICY INCLUDES THE CONDITIONAL EXCLUSION OF TERRORISM

NOTICE TO POLICYHOLDERS

This Notice has been prepared in conjunction with the POTENTIAL implementation of changes related to coverage of terrorism under your policy. It contains a brief synopsis of significant exclusionary provisions and limitations.

The Terrorism Risk Insurance Act established a program (Terrorism Risk Insurance Program) within the Department of the Treasury, under which the federal government shares, with the insurance industry, the risk of loss from future terrorist attacks. That Program is subject to a termination date of December 31, 2020 unless extended by the federal government. If the federal Program terminates, or is extended with certain changes prior to or during the term of your policy, then the treatment of terrorism under your policy will change. This Notice is being provided to you for the purpose of summarizing potential impact on your coverage. The summary is a brief synopsis of significant exclusionary provisions and limitations.

This Notice does **not** form a part of your insurance contract. The Notice is designed to alert you to coverage restrictions and to other provisions in certain terrorism endorsement(s) in this policy. If there is any conflict between this Notice and the policy (including its endorsements), the provisions of the policy (including its endorsements) apply.

Carefully read your policy, including the endorsements attached to your policy.

YOUR POLICY DURING TENURE OF THE TERRORISM RISK INSURANCE PROGRAM AS THAT PROGRAM EXISTS AT THE TIME THIS NOTICE IS ISSUED:

If your policy had no terrorism exclusion and no cap on certified losses:

This policy does not contain a terrorism exclusion. In the absence of a terrorism exclusion, terrorism coverage applies in accordance with the terms of the policy. That is, the absence of a terrorism exclusion does not create coverage for any injury or damage that would otherwise be excluded under the policy, such as losses excluded by the war liability exclusion.

If an endorsement entitled “Cap On Losses From Certified Acts Of Terrorism” or “Alaska Cap On Losses From Certified Acts Of Terrorism” was attached to your policy:

This policy does not contain a terrorism exclusion. However, the policy contains an endorsement under which coverage for "certified acts of terrorism" (which is more fully defined in the endorsement) is subject to a limit on our liability pursuant to the federal Terrorism Risk Insurance Act. Further, the absence of a terrorism exclusion does not create coverage for any injury or damage that would otherwise be excluded under the policy, such as losses excluded by the war liability exclusion.

If an endorsement entitled “Exclusion Of Certified Acts Of Terrorism” or “Alaska Exclusion Of Certified Acts Of Terrorism” was attached to your policy:

This policy contains an endorsement excluding coverage for "certified acts of terrorism", which is more fully defined in the endorsement.

If an endorsement entitled “ Limited Terrorism Exclusion (Other Than Certified Acts Of Terrorism) Cap On Losses From certified Acts Of Terrorism” or “ Alaska Limited Terrorism Exclusion (Other Than Certified Acts Of Terrorism) Cap On Losses From certified Acts Of Terrorism” was attached to your policy:

This policy contains an endorsement that makes a distinction between "certified acts of terrorism" and "other acts of terrorism" that are committed outside the United States (including its territories and possessions and Puerto Rico), but within the "coverage territory". Coverage is provided for "certified acts of terrorism" (which is more fully defined in the endorsement). This coverage is subject to a limit on our liability pursuant to the federal Terrorism Risk Insurance Act. The endorsement excludes coverage for "other acts of terrorism" that are committed outside the United States (including its territories and possessions and Puerto Rico), but within the "coverage territory" (which is more fully defined in the endorsement) but such exclusion applies only if:

RESTRICTIONS OF TERRORISM COVERAGE WHEN THE POLICY INCLUDES THE CONDITIONAL EXCLUSION OF TERRORISM

- (1) Aggregate losses from the event exceed \$25 million; or
- (2) Fifty or more persons sustain death or physical injury; or
- (3) If the event qualified as a nuclear event; or
- (4) If the event qualified under certain circumstances as a biological or chemical event.

With respect to "certified acts of terrorism" and "other acts of terrorism" that are committed outside the United States, policy exclusions (for example, the war liability exclusion) and other policy provisions continue to apply.

If an endorsement entitled "Exclusion Of Certified Acts Of Terrorism And Other Acts Of Terrorism" or "Alaska Exclusion Of Certified Acts Of Terrorism And Other Acts Of Terrorism" was attached to your policy:

The terrorism endorsement in this policy makes a distinction between "certified acts of terrorism" (which is more fully defined in the endorsement and generate aggregate losses in excess of \$5 million) and "other acts of terrorism" that are committed outside the United States (including its territories and possessions and Puerto Rico). Both types of terrorism are excluded from coverage but the exclusions are subject to different terms and conditions. The exclusion of "certified acts of terrorism" relates to criteria in the federal Terrorism Risk Insurance Act. The exclusion of coverage for "other acts of terrorism" (that are committed outside the United States (including its territories and possessions and Puerto Rico (which is more fully defined in the endorsement) applies only if:

- (1) Aggregate losses from the event exceed \$25 million; or
- (2) Fifty or more persons sustain death or physical injury; or
- (3) If the event qualified as a nuclear event; or
- (4) If the event qualified under certain circumstances as a biological or chemical event.

With respect to "certified acts of terrorism" and "other acts of terrorism" that are committed outside the United States, policy exclusions (for example, the war liability exclusion) and other policy provisions continue to apply.

If an endorsement entitled "Exclusion Of Certified Nuclear, Biological, Chemical Or Radiological Acts Of Terrorism; Cap On Losses From Certified Acts Of Terrorism" or "Alaska Exclusion Of Certified Nuclear, Biological, Chemical Or Radiological Acts Of Terrorism; Cap On Losses From Certified Acts Of Terrorism" was attached to your policy:

The terrorism endorsement in this policy excludes coverage for "certified acts of terrorism" (which is more fully defined in the endorsement), but such exclusion applies only if the event qualified as a nuclear event or if the event qualified under certain circumstances as a biological or chemical event. The certified-acts coverage that remains is subject to a limit on our liability pursuant to the federal Terrorism Risk Insurance Act and is subject to all policy exclusions (for example, the war liability exclusion) and other policy provisions.

If an endorsement entitled "Certified Acts Of Terrorism Aggregate Limit; Cap On Losses From Certified Acts Of Terrorism" or "Alaska Certified Acts Of Terrorism Aggregate Limit; Cap On Losses From Certified Acts Of Terrorism" was attached to your policy:

The terrorism endorsement in this policy limits the amount of coverage for injury or damage caused by "certified acts of terrorism" (which is more fully defined in the endorsement). The Certified Acts Aggregate Limit will be subject to the General Aggregate and Products/Completed Operations Aggregate Limits. All other limits continue to apply if and to the extent that the Certified Acts Aggregate Limit has not been used up. Once the Certified Acts Aggregate Limit is exhausted in one or more events, no further coverage for Certified Acts is provided for the remainder of the annual policy period. Further, certified-acts coverage is subject to a limit on our liability pursuant to the federal Terrorism Risk Insurance Act. With respect to "certified acts of terrorism", policy exclusions (for example, the war liability exclusion) and other policy provisions continue to apply.

RESTRICTIONS OF TERRORISM COVERAGE WHEN THE POLICY INCLUDES THE CONDITIONAL EXCLUSION OF TERRORISM

POTENTIAL CHANGE TO YOUR POLICY:

An endorsement for the Conditional Exclusion of Terrorism is attached to your policy. Its provisions become applicable to your policy only if certain events (one or more of them) occur. Those events include the following:

- If the federal Terrorism Risk Insurance Program (TRIP) terminates with respect to the type of insurance provided under this policy. (
- If TRIP is extended with changes that redefine terrorism, and we are not required to make such revised coverage available to you; or
- If TRIP is extended with changes that make insurance coverage for terrorism subject to provisions or requirements that differ from those that apply to other events or occurrences under this policy, and we are not required to make such revised coverage available to you; or

If TRIP is extended with changes that increase insurers' statutory percentage deductible under TRIP for terrorism losses, or decrease the federal government's statutory percentage share in potential terrorism losses, and we are not required to make terrorism coverage available to you. **This Conditional Terrorism Endorsement treats terrorism as follows:**

- Coverage for injury or damage arising out of a terrorism incident is excluded only if:
 - The total of all insured damage to all types of property (including business interruption losses sustained by owners or occupants of damaged property), from the incident, exceeds \$25 million. The \$25 million property damage threshold is based on losses sustained by all persons and entities who are affected by an incident of terrorism, and who are insured for the damage, or who would be insured but for a terrorism exclusion; or
 - Fifty or more persons sustain death or serious physical injury; or

(To determine whether the threshold for property damage (\$25 million) or persons injured (fifty) is exceeded, multiple incidents of terrorism which occur within a seventy-two hour period and appear to be linked together or have a related purpose or common leadership behind them shall be considered to be one incident of terrorism.)

 - The terrorism event involves nuclear materials or results in nuclear reaction or radiation or radioactive contamination; or
 - The terrorism event involves the release of radioactive material, and it appears that one purpose of the terrorism was to release such material; or
 - The terrorism event is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
 - The terrorism event involves the release of pathogenic or poisonous biological or chemical materials, and it appears that one purpose of the terrorism was to release such materials.

See the definition of terrorism for purposes of the terrorism exclusion.

SCHEDULE

SCHEDULE – PART I	
Terrorism Premium (Certified Acts)	\$ 0
This premium is the total Certified Acts premium attributable to the following Coverage Part(s), Coverage Form(s) and/or Policy(ies):	
Additional information, if any, concerning the terrorism premium:	
SCHEDULE – PART II	
Federal share of terrorism losses	80 %
(Refer to Paragraph B. in this endorsement.)	
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. Disclosure Of Premium

In accordance with the federal Terrorism Risk Insurance Act, we are required to provide you with a notice disclosing the portion of your premium, if any, attributable to coverage for terrorist acts certified under the Terrorism Risk Insurance Act. The portion of your premium attributable to such coverage is shown in the Schedule of this endorsement or in the policy Declarations.

B. Disclosure Of Federal Participation In Payment Of Terrorism Losses

The United States Government, Department of the Treasury, will pay a share of terrorism losses insured under the federal program. The federal share equals a percentage (as shown in Part II of the Schedule of this endorsement or in the policy Declarations) of that portion of the amount of such insured losses that exceeds the applicable insurer retention. However, if aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year, the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

C. Cap On Insurer Participation In Payment Of Terrorism Losses

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.
