NOTICE OF RATE CHANGE

An overall loss cost decrease of 3.1% has been approved by the New York State Department of Financial Services to become effective on October 1, 2023. The overall change includes (i) a decrease of 2.9% in the average manual class loss cost level and (ii) a decrease of 0.2% resulting from changes in the loss cost provisions for terrorism, natural disasters and catastrophic industrial accidents.

The following is a description of the various components of the approved change:

Loss Experience - The latest two policy years of experience produced a decrease of 2.2% in the overall loss cost level.

Legislative Changes - This revision includes an estimate of the cost impact of the latest increases in the maximum weekly benefits that were set forth in the 2007 workers' compensation reform legislation. This component contributed an increase of 0.4% to the overall change.

Loss Adjustment Expenses - A review of the latest data available resulted in an increase of 1.1% in the Loss Adjustment Expense provision.

Future Trends - The latest analysis of New York claim severity and claim frequency indicates a slight increase in claim frequency, an upward trend in indemnity claim costs and a mild upward trend in medical claim costs. Combined with a projected wage trend, the final selected net trend factor is -1.7%.

Catastrophe Provision - This revision changes the loss cost for terrorism to \$0.029 per \$100 of total policy payroll (2.2% of premium for non-payroll classifications), representing a decrease of 3.3% from the previous provision. This revision also changes the loss cost for natural disasters and catastrophic industrial accidents to \$0.003 per \$100 of total policy payroll (0.2% of premium for non-payroll classifications), representing a decrease of 40.0% from the previous provision. These changes contribute a decrease of 0.2% to the overall change.

Additional Adjustment - This adjustment further reduces the loss costs for certain classifications as approved by the New York State Department of Financial Services. This change contributes an additional decrease of 0.5% to the overall indication.

Classification Loss Costs - Although the average manual loss cost level is decreasing by 2.9%, individual classification loss cost changes are based on the most recently available loss experience for each classification. Both increases and decreases from the current loss costs have been actuarially calculated for each class. This process ensures that each classification loss cost reflects the appropriate level relative to the experience of the other classifications.

Interest & Service Charge Endorsement

This Policy is amended by adding -

- (1) the following four paragraphs to paragraph "E. Premium payments" of "PART FOUR - PREMIUM:"

"If your annual premium is \$1,000 or more, you may elect to pay via our extended payment plan. Once the initial deposit on your premium has been paid, the remaining balance can be paid in installments on a plan acceptable to us. There will be a service charge of \$10 per installment.

If you are on an extended payment plan, we will send bills monthly.

Payment of an annual bill or a monthly bill is due within twenty-six days of the date of the bill (unless, as provided in the next paragraph, payment is due within fourteen days of the date of the bill). Payment, including payment sent by mail, is not effective until it has been received by NYSIF. If the total amount due is not received by the due date, you will owe a late payment fee of \$30.00.

If the total amount due plus the late payment charge is not received before one month from the date of the bill, the next bill will include the amount due, if any, for the current month, and any amounts unpaid from prior bills plus any unpaid late charges. Payment of that next bill will be due within fourteen days of the date of that next bill. If the total amount due is not received by that due date, we will issue a notice of cancellation of the policy."

AND

- (2) the following two paragraphs to paragraph "H. Audit" of "PART FOUR - PREMIUM:"

"You will be billed for any premium found due on an audit ("Audit Premium").

If you have an active policy with us, and the amount found due is \$1,000 or more, you may request to pay over time. If the request is agreed to, interest will be charged at the rate of one percent per month on the outstanding balance, the terms of the Audit Premium payment plan and the amount then due will be included on monthly bills, and the provisions of paragraph 'E. Premium payments' of 'PART FOUR - PREMIUM' shall apply."

Uninsured Subcontractors

Section 56 of the Workers' Compensation Law makes you responsible (or your Workers' Compensation insurance carrier if you are insured) for payment of benefits to an injured employee of an uninsured subcontractor. Because of this liability, you will be charged premium for any uninsured subcontractor who works for you.

You **may avoid this charge** by obtaining certificates of Workers' Compensation insurance from subcontractors before they start the job.

Note: Any executive officer, sole proprietor, partner or member of an LLC, etc., who has been excluded from coverage under their own company policy, via an exclusion endorsement, shall be included on the policy of the hiring company when they perform duties that pertain to the operations of the hiring company.

To be considered an independent contractor rather than an employee, a business entity must satisfy all of the requirements of NORTHVALE SERVICE GROUP **INDUSTRY FAIR PLAY ACT :**

(b) the service must be performed outside the usual course of business for which the service is performed; and

(c) the individual is customarily engaged in an independently established trade, occupation profession, or business that is similar to the service at issue.

2. A business entity, including any sole proprietor, partnership, corporation or entity that may be a contractor under this section shall be considered a separate business entity from the contractor where all the following criteria are met:

(c) the business entity has a substantial investment of capital in the business entity beyond ordinary tools and equipment and a personal vehicle;

(g) the business entity performs services for the contractor under the business entity's name;

(h) when the services being provided require a license or permit, the business entity obtains and pays for the license or permit in the business entity's name;

(i) the business entity furnishes the tools and equipment necessary to provide the service;

(j) if necessary, the business entity hires its own employees without contractor approval, pays the employees without reimbursement from the contractor and reports the employees' income to the Internal Revenue Service;

(continued on reverse side)

(k) the contractor does not represent the business entity as an employee of the contractor to its customers; and

(l) the business entity has the right to perform similar services for others on whatever basis and whenever it chooses.

3. An individual's act of securing workers' compensation insurance with a carrier as a sole proprietor, partnership or otherwise shall not be binding on any determination under this section.

Certificates for subcontractors who come from out-of-state will be considered provided **they are accompanied by a copy of the sub-contractor's information page of their Workers' Compensation insurance policy showing New York State listed in item 3A**. The certificates can be provided to our auditor at the time of your premium audit.

The New York State Insurance Fund (NYSIF) reserves the right to verify any certificate of insurance by confirming coverage through the appropriate rating authority. A portion of the contract price* for each uninsured subcontractor will be included as payroll for premium charges.

* NOTE 90% of the subcontract price shall be considered payroll if the subcontract is for labor only; 50% of the subcontract price shall be considered payroll if the subcontract is for labor and material; 33 1/3% of the subcontract price shall be considered payroll if the subcontract is for mobile equipment with operators.

MARCUS YARROW

CLASSIFICATION PREMIUM ADJUSTMENT PROGRAM EXPLANATORY ENDORSEMENT

The MARCUS YARROW Classification Premium Adjustment Program (NYCCPAP) allows premium credits for some employers in the construction industry. These credits exist to recognize the difference in wage rates between employers within the same construction industries in New York.

The Information Page section of this policy will show a credit of 0.00% if you are not eligible for this credit, or if you are eligible for this credit and have not yet applied for a credit. Credits are earned for average wages in excess of \$23.24 per hour for each eligible class. If your policy shows one of the following classification codes, and you are experience rated, you are eligible to apply for an NYCCPAP credit:

0042	5037	5183	5222	5443	5491	5547	5703	6045	6235	6325	7855	9545
3365	5040	5184	5223	5445	5506	5606	5709	6204	6251	6400	8227	9549
3724	5057	5188	5348	5462	5507	5610	6003	6216	6252	6701	9526	9553

5000	5102	5213	5428	5479	5538	5651	6018	6233	6319	7601	9539	
5022	5160	5221	5429	5480	5545	5701						

The basis for determining the credit is the limited payroll of each employee for the number of hours worked (excluding overtime premium pay) for each construction classification (other than employees engaged in the construction of one or two-family residential housing).

Total payroll is to continue to be reported for employees engaged in the construction of one or two-family residential housing. For policies with effective dates between January 1 and March 31, the payroll submitted is for the third quarter, as reporting to taxing authorities, for the second calendar year preceding the policy effective date. For policies with effective dates between April 1 and December 31, the payroll submitted is for the third quarter, as reported to the taxing taxing authorities, for the calendar year preceding the policy effective date. Total payroll (and not limited payroll) is to be reported for employees engaged in the construction of one or two-family residential housing.

If you have any eligible classes on your policy, you should have been notified by your insurance carrier or the New York Compensation Insurance Rating Board approximately four months prior to the inception date of this policy. If you believe you may be eligible for a credit and have not received an application, you should immediately contact your agent, insurance carrier, or the New York Compensation Insurance Rating Board (NYCIRB).

Credits are calculated by NYCIRB. You must submit your application by one of the following 3 methods:

- Online in the CPAP application system at the NYCIRB website - <http://www.nycirb.org/cpap> (recommended)
- By emailing a completed CPAP application to keith.thorne@example.com, or
- By mailing a completed CPAP application to attention: Audit Division, New York Compensation Insurance Rating Board,
4557 Orchard , Oneonta, NY 13820

Applications must be received by the Rating Board three (3) months prior to the policy renewal effective date. The Rating Board will accept and process an application if it is received between the policy effective and expiration date, however, it must be accompanied by an explanation from the employer stating the reason for the delay. Under no circumstances will an application be accepted for any policy if it is received after the expiration date of the policy. For short-term policies the application must be received prior to the expiration date of the short-term policy. If it is received after the policy expiration, no credit will be calculated.

The New York Workers' Compensation and Employers' Liability Insurance Manual, and not this endorsement, govern the implementation and use of the NYCCPAP.

Thank you for your cooperation.

TERRORISM RISK INSURANCE PROGRAM REAUTHORIZATION ACT DISCLOSURE ENDORSEMENT

This endorsement addresses the requirements of the Terrorism Risk Insurance Act of 2002 as amended and extended by the Terrorism Risk Insurance Program Reauthorization Act of 2019. It serves to notify you of certain limitations under the Act, and that your insurance carrier is charging premium for losses that may occur in the event of an Act of Terrorism.

Your policy provides coverage for workers compensation losses caused by Acts of Terrorism, including workers compensation benefit obligations dictated by state law. Coverage for such losses is still subject to all terms, definitions, exclusions, and conditions in your policy, and any applicable federal and/or state laws, rules, or regulations.

Definitions:

The definitions provided in this endorsement are based on and have the same meaning as the definitions in the Act. If words or phrases not defined in this endorsement are defined in the Act, the definitions in the Act will apply.

"Act" means the Terrorism Risk Insurance Act of 2002, which took effect on November 26, 2002, and any amendments thereto including any amendments resulting from the Terrorism Risk Insurance Program Reauthorization Act of 2019.

"Act of Terrorism" means any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security, and the Attorney General of the United States as meeting all of the following requirements:

- The act is an act of terrorism.
- The act is violent or dangerous to human life, property or infrastructure.
- The act resulted in damage within the United States, or outside of the United States in the case of the premises of United States missions or certain air carriers or vessels.
- The act has been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

"Insured Loss" means any loss resulting from an act of terrorism (and, except for Pennsylvania, including an act of war, in the case of workers compensation) that is covered by primary or excess property and casualty insurance issued by an insurer if the loss occurs in the United States or at the premises of United States missions or to certain air carriers or vessels.

"Insurer Deductible" means, for the period beginning on January 1, 2021, and ending on December 31, 2027, an amount equal to 20% of our direct earned premiums, during the immediately preceding calendar year.

Limitation of Liability

The Act limits our liability to you under this policy. If aggregate Insured Losses exceed \$100,000,000,000 in a Calendar Year and if we have met our Insurer Deductible, we are not liable for the payment of any portion of the amount of Insured Losses that exceeds \$100,000,000,000; and for aggregate Insured Losses up to \$100,000,000,000, we will pay only a pro rata share of such Insured Losses as determined by the Secretary of the Treasury.

Policyholder Disclosure Notice

1. **Insured Losses would be partially reimbursed by the United States Government. If the aggregate industry Insured Losses occurring in any calendar year exceed \$200,000,000, the United States Government would pay 80% of our Insured** VANTAGE AUTOMOTIVE SERVICES
2. **Notwithstanding Item 1. above, the United States Government will not make any payment under the Act for any portion of Insured** MERIDIAN WORKS
3. **The premium charge for the coverage your policy provides for Insured Losses is included in the amount shown in Item 4. of the Information Page or in the Schedule below.**

Your policy provides coverage for workers compensation losses caused by a Catastrophe (other than Certified Acts of Terrorism).

This premium charge does not provide funding for Certified Acts of Terrorism contemplated under the Terrorism Risk Insurance Program Reauthorization Act Disclosure Endorsement (TRIO), attached to this policy.

CATASTROPHE: (other than Certified Acts of Terrorism): Any single event, resulting from an Earthquake, Noncertified Act of Terrorism, or Catastrophic Industrial Accident, which results in aggregate workers compensation losses in excess of \$50 million.

An insured, or its representative, (hereafter referred to as "insured"), may appeal the application of a rule or procedure contained in the NY Workers Compensation & Employers Liability Manual. Rules or procedures are defined as those determinations, either by a carrier or the Rating Board, which define the variables which makeup the policy conditions. Examples include: classification codes, ownership information, premium audits, and any other determination which may affect the policy.

To be considered for review, a written request explaining the reason(s) for the appeal must be submitted to the Rating Board. Upon receipt of the request for review, the following actions will be taken:

1. A staff member will review the request and respond to the insured within sixty (60) days, in writing, acknowledging receipt of the request, granting the insured its request or sustaining its original ruling.
2. The insured, if not satisfied with the outcome in 1. above, may then request, in writing, a conference with members of the Rating Board staff. The request must state the nature of the complaint and contain any supporting documents. The appropriate Department Vice President or his or her designated representative, if appropriate, will preside at the conference.
3. If the dispute is not resolved at the conference, the insured may then appeal to the Underwriting Committee of the Rating Board for a hearing to consider the staff ruling. This appeal must be in writing and must specify the reason(s) for the appeal and the nature of the complaint.

Following receipt of the appeal, the insured will be notified regarding the time and place for the hearing. The appeal will be heard at the next Underwriting Committee meeting for which appropriate time can be given for this matter. Subsequent to the hearing, the insured will be advised, in writing, of the Underwriting Committee decision regarding its complaint.

4. If the Underwriting Committee ruling is not satisfactory to the insured, the insured may then request a hearing at the New York State Department of Financial Services to consider the decision of the Rating Board's Underwriting Committee.
5. The New York State Department of Financial Services decision may be appealed to a higher court, by either the insured FAIRMOUNT LOGISTICS
