Your policy contains a Negative Option Feature as defined by 940 CMR 38.00 – Unfair and Deceptive Fees. Your policy will renew on 09/09/2026 and you will be expected to make regular premium payments thereafter. If you do not cancel your form of payment for your insurance policy by 09/04/2026, these charges will automatically begin on 09/09/2026. If you do not receive a non-renewal notice from us, then we intend to renew your policy.

To cancel your payment, please contact your agent at 845-610-5700; if you purchased your policy online you can submit a request to cancel online. Failure to cancel by the stated deadline will result in financial obligations for each listed policy. Not paying your premium by another means will result in the cancellation of this policy.

You always have a right to cancel or non-renew your existing coverage, even if we intend to renew your policy. Cancelling or non-renewing your insurance policy without securing alternate coverage may result in a lapse of protection, leaving you financially exposed in the event of a loss. Please ensure that you have obtained coverage with another insurance company should you cancel or non-renew your policy.
