SUPPLEMENTAL SPOUSAL LIABILITY COVERAGE ("SSL")

New York State law requires that upon written request of an insured, and upon payment of the premium, an insurer issuing or delivering a policy that satisfies the requirements of Article 6 of the New York Vehicle and Traffic Law shall provide Supplemental Spousal Liability Insurance coverage. At this time, Supplemental Spousal Liability Insurance coverage will be included within your bodily injury liability coverage at no additional premium charge.

Supplemental Spousal Liability Insurance provides bodily injury liability coverage under a motor vehicle insurance policy to cover the liability of an insured spouse because of the death of or injury to his or her spouse, even where the injured spouse must prove the culpable conduct of the insured spouse.

This coverage is included within the policy's bodily injury liability limits and does not increase the amount of those limits. For example:

Insured's bodily injury policy coverage limit: \$100,000/\$300,000

Insured ASHCROFT MECHANICAL

Insured's bodily injury policy coverage limit available to all other claimants subject to a maximum of
CEDARLINE HOLDINGS

This example assumes the spouse and other claimants involved in the accident have a right to sue the insured for economic loss or for non-economic loss (i.e., pain and suffering) sustained as a result of a "serious injury" as defined in Section 5102 (d), as amended, of the Insurance Law. It must also have been shown that there was negligence on the part of the insured.

New York Motor Vehicle Law Enforcement Fee

The New York Motor Vehicle Law Enforcement Fee is required by law and is used to fund activities relating to the detection, prosecution, or reduction of auto thefts.
