USA FLOOD MINIMUM EARNED PREMIUM ENDORSEMENT

The following terms and conditions will apply to this policy where the peril of Flood is included:

1. Unless the Insured property is sold, if you cancel this policy, remove a location or reduce the amount of Insurance on a location that is within 75 miles of the Atlantic Ocean and/or the Gulf of Mexico in the states of North Carolina thru to Texas inclusive, and coverage existed any time during the period of June 1st to November 1st, the amount of premium we will return will be the Unearned Premium for the location. The Unearned Premium is the annual premium for the policy (or for the location removed or coverage reduced, as applicable) multiplied by the Unearned Factor noted below. The location premium is the 100% annual rate multiplied by the location value as scheduled in the most current Statement of Values on file with Underwriters.

1 Year Policy

Days Policy In Force	Unearned Factor
001 to 180	25%
181 to 210	20%
211 to 240	15%
241 to 270	10%
271 to 300	5.0%
301 to 330	2.5%
331 to 330	0.0%

2. The provisions of this endorsement replace any short rate provisions stipulated in this policy for all locations that are within 75 miles of the Atlantic Ocean and/or the Gulf of Mexico in the states of North Carolina through to Texas inclusive, and coverage existed any time during the period of June 1st to November 1st.
3. If the Insured property is sold, the Earned Premium shall be computed pro-rata, but a minimum of 25% of the premium as of Inception in respect of the sold property shall become earned.

Failure of the Assured to make timely payment of premium shall be considered a request by the Assured for the Underwriters to cancel this Insurance. In the event of such cancellation by the Underwriters for non-payment of premium the Minimum Premium shall be due and payable; provided however, such non-payment cancellation shall be rescinded if the Assured remits the full premium within 10 days of the date of notice of cancellation.

All other terms and conditions remain unchanged.
