DISCLOSURE PURSUANT TO NEW YORK INSURANCE DEPARTMENT
REGULATION 194

Name of Companies: Dryden

Southern Tier
88 Main St, PO Box 760
Elmira, New York 14901

Name of Applicant: Rutherford Ashworth & Wilhelmina Larkspur

Southern Tier Insurance Agency is an insurance producer licensed by the State of New York. Insurance producers are authorized by their license to confer with insurance purchasers about the benefits, terms and conditions of insurance contracts; to offer advice concerning the substantive benefits of particular insurance contracts; to sell insurance; and to obtain insurance for purchasers. The role of the producer in any particular transaction typically involves one or more of these activities.

Compensation will be paid to the Producer, based on the insurance contract the Producer sells. Depending on the insurer(s) and insurance contract(s) the purchaser selects, compensation will be paid by the insurer(s) issuing the insurance contract or by another third party. Such compensation may vary depending on a number of factors, including the insurance contract(s) and the insurer(s) the purchaser selects. In some cases, other factors such as the volume of business a Producer provides to an insurer on the profitability of insurance contracts a Producer provides to an insurer also may affect compensation.

The insurance purchaser may obtain information about compensation expected to be received by the Producer based in whole or in part on the sale of insurance to the purchaser, and (if applicable) compensation expected to be received based in whole or in part on any alternative quotes presented to the purchaser by the Producer, by requesting such information from the Producer either prior to issuance of the insurance contract or less than thirty days after issuance of such contract.

FLOOD INSURANCE SELECTION / REJECTION

DATE (MM/DD/YYYY)

01/09/2024

AGENCY Southern Tier Insurance Agency		CARRIER Dryden Mutual	NAIC CODE
POLICY NUMBER	EFFECTIVE DATE 01/12/24	APPLICANT / NAMED INSURED(S) Rutherford Ashworth	

IMPORTANT NOTICE

Flood insurance is available under the National Flood Insurance Program (NFIP) in thousands of communities nationwide. It provides coverage for residential and non-residential buildings and their contents, in both high risk as well as low risk areas. Historically, about one quarter of all losses under the NFIP are in low risk areas.

Flooding is the largest single cause of natural disaster loss and damage in our country. The standard homeowners, dwelling or commercial property insurance policy typically excludes or does not otherwise provide coverage for flood damage. Purchasing separate flood insurance coverage will allow covered flood losses to be adjusted in a similar manner as losses from other perils in other property policies.

The Federal Emergency Management Agency (FEMA) advises that although federal disaster relief assistance is sometimes available after a flood, such financial assistance is typically in the form of a loan and must be repaid to the Government in addition to any other outstanding loans.

To the extent that NFIP and/or alternative market flood insurance is available for the property, as your insurance representative, we strongly recommend that you purchase flood insurance.

SELECTION / REJECTION OF FLOOD INSURANCE COVERAGE

I understand that flood insurance coverage, either with NFIP or an alternative market, may be available for the property located at the address below. I understand that not all properties are eligible for NFIP coverage (non-participating community properties or coastal barrier resources system properties) and Loss of Income and/or Additional Living Expense coverage is not currently available from the NFIP. I select or reject coverage as indicated below.

I also understand that my selection / rejection of this coverage will apply to all future renewals, continuations and changes unless I notify you otherwise in writing.
